FOREWORD

The Kentucky Constitution requires each chamber of the General Assembly to keep a journal as a public accounting of daily legislative activity. The journal is the official record of action.

The Kentucky Revised Statutes require the Legislative Research Commission to compile, edit, correct, and publish the journals of each chamber. This is the House Journal for the Regular Session of the 2004 General Assembly.

Texts of bills, joint resolutions, and concurrent resolutions appear in the journal on the day of their first reading. Texts of simple resolutions appear on the day of either their first reading or adoption. Texts of committee amendments appear when they are reported out of committee and floor amendments are inserted at the end of the day on which they were filed. The appendices include a table of actions on bills and resolutions, a list of elected representatives, roll call votes, and a sponsor and subject index.

JoAnn Paulin, Rhonda Carter, and Shelly Purvis prepared the *House Journal* for the 2004 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

WHEREAS, this attribute speaks to not only his courage but his sense of humanity; and

WHEREAS, his policy of nonviolent protest was the dominant force in the civil rights movement and taken up by many of the African-American ministers here in Kentucky; and

The Committee Substitute to **HJR 216** is as follows:

HJR 216, A JOINT RESOLUTION requiring a plaque and/or monument honoring Martin Luther King, Jr. and the African-American ministers of Kentucky by the floral clock on the grounds of the New Capitol Annex.

WHEREAS, on March 5, 1964, Dr. Martin Luther King, Jr. led more than ten thousand (10,000) people from across Kentucky to rally at the Kentucky State Capitol for the passage of laws to secure certain God-given rights which had been denied African-Americans in the Commonwealth; and

WHEREAS, in 1958 as President of the Southern Christian Leadership Conference, whose motto was "To Save the Soul of America," Dr. Martin Luther King, Jr. understood the black church to be the Lord's appointed instrument for bringing about a spiritual awakening and repentance in the United States when Dr. King said, "This is a great hour for the Negro. The challenge is here. To become the instruments of a great idea is a privilege that history gives only occasionally. Arnold Toynbee says in 'A Study in History' that it may be the Negro who will give the spiritual dynamic to western civilization that it so desperately needs to survive. I hope this is possible. The spiritual power that the Negro can radiate to the world comes from love, understanding, good will, and nonviolence"; and

WHEREAS, when criticized as an "outsider" for his civil rights leadership in Birmingham, Alabama in 1963, Dr. Martin Luther King, Jr. described the prophetic nature of his calling by saying, "I am in Birmingham because injustice is here. Just as the prophets of the eighth century B.C. left their villages and carried the gospel of Jesus Christ to the far corners of the Greco-Roman world, so am I compelled to carry the gospel of freedom beyond my own home town. Like Paul, I must constantly respond to the Macedonian call for aid"; and

WHEREAS, in August of 1965 on CBS's "Face the Nation," Martin Luther King, Jr. defined his leadership role in the movement to secure justice and God-given rights for all African-Americans in terms of his calling as a minister of the Lord Jesus Christ, when he said, "I happen to be a minister of the Gospel and I take that ministry very seriously, and in that capacity I have not merely a priestly function but a prophetic function, and I must ever see to bring the great principles of our Judeo-Christian heritage to bear on the social evils of our day"; and

WHEREAS, in a speech, Dr. Martin Luther King, Jr. clearly set forth early church and colonial American precedents for nonviolent protests employed to secure justice: "The religious tradition of the Negro had shown him that the nonviolent resistance of the early Christians had constituted a moral offensive of such overriding power that it shook the Roman Empire. American history had taught him that nonviolence in the form of boycotts and protests had confounded the British monarchy and laid the basis for freeing the colonies from unjust domination"; and

WHEREAS, in his book, *There is a Balm in Gilead*, Dr. Lewis V. Baldwin, Professor of Religious Studies at Vanderbilt University, points out the great similarity between the redemptive mission of the Hebrew prophets of the Bible and the redemptive mission of Martin Luther King, Jr., which was vividly manifested in a speech given by Dr. King on April 3, 1968, the night before he was assassinated: "Well, I don't know what will happen now. We've got some difficult days ahead. But it really doesn't matter with me now, because I've been to the mountaintop. And I don't mind. Like anybody, I would like to live a long life. Longevity has its place. But I'm not concerned about that now. I just want to do God's will. And He's allowed me to go up to the mountain. And I've looked over. And I've seen the promised land. I may not get there with you. But I want you to know tonight, that we as a people will get to the promised land. And I'm happy, tonight. I'm not worried about anything. I'm not fearing any man. Mine eyes have seen the glory of the coming of the Lord";

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Division of Historic Properties shall place a plaque, monument, and/or memorial display honoring Martin Luther King, Jr. near the floral clock on the grounds of the New Capitol Annex.

Section 2. The plaque, monument, and/or memorial display shall include the following text:

This memorial to Dr. Martin Luther King, Jr. has been erected to encourage future generations to follow Dr. King's godly example and to study those who inspired him to challenge unjust political structures without resorting to violence. Dr. King's refusal to isolate his Christian faith and biblical principles from politics, lawmaking, and social policy resulted in the church-centered civil rights campaigns of the 1950s and 1960s which helped overturn many unrighteous laws.

One such campaign took place near this spot on March 5, 1964, when Dr. King led ten thousand (10,000) people to a peaceful rally at the state Capitol. The very next legislative session, Kentucky became the first southern state to pass civil rights legislation. Historian Samuel S. Hill points out that King's Southern Christian Leadership Conference was formed in 1957 "to give the total struggle a sense of Christian and disciplined direction" and "sought the embodiment of the teachings of Jesus in the laws of American society." Addressing the Southern Christian Leadership Conference Ministers' Leadership Training Program, Dr. King said: "I didn't get my inspiration from Karl Marx; I got it from a man named Jesus, a Galilean saint who said he was anointed to heal the broken-hearted. He was anointed to deal with the problems of the poor. And that is where we get our inspiration." *In Stride Toward Freedom,* Dr. Martin Luther King, Jr. explained the interface between the Christian faith and American political life: "Gandhi was probably the first person in history to lift the love ethic of Jesus above mere interaction between individuals to a powerful and effective social force on a large scale."

The words of the Indian leader Mahatma Gandhi impacted Martin Luther King, Jr. who in turn impacted a nation for righteousness: "I can say without the slightest hesitation, and yet in all humility, that those who say that religion has nothing to do with politics do not know what religion means."

Section 3. The Historic Properties Advisory Commission shall be responsible for the design of the plaque, monument, and/or memorial display required in Section 1 of this Resolution, and may accept appropriations, gifts, grants, or any other funds, both public and private, to fund the plaque, monument, and/or memorial display and its upkeep. Notwithstanding the provisions of this section, all appropriations, gifts, grants, or any other funds, both public and private, used to fund the plaque, monument, or memorial display shall be voluntary.

Section 4. The Department of Facilities Management shall be responsible for the routine maintenance and upkeep.

The Committee Amendment No. 1 Title to **HJR 216** is as follows:

(4) At the hearing, the code enforcement board ***or the assigned hearing officer*** shall determine, based on the evidence presented, whether a violation was committed. When the board determines that no violation was committed, an order dismissing the citation shall be entered. ***If a hearing officer conducts the hearing, the hearing officer shall make a written report to the board setting forth the findings from the hearing and recommending action to the board.*** When

HR 208, A RESOLUTION urging the Council of the Lexington-Fayette Urban County Government to increase the compensation of police and firefighters in Fayette County.

WHEREAS, police and firefighters in Fayette County perform their duties admirably, bravely, and responsibly and all too frequently make the ultimate sacrifice by losing their lives in their efforts to protect the residents of Fayette County; and

WHEREAS, police and firefighters in Fayette County are compensated significantly less than their counterparts, not only in other states but also in most counties of the Commonwealth, and this abysmal fact is well-documented and undisputed; and

WHEREAS, the Federal Bureau of Investigations (FBI) recommends that three police officers for each 1,000 residents are necessary to provide adequate public safety, and that the current ratio in Fayette County of 1.85 officers per 1,000 residents is an alarming statistic; and

WHEREAS, Fayette County is experiencing increasing difficulty in attracting and retaining police officers which is evidenced by the fact that 53 police officers have left the police force over the past few years to take other positions; and

WHEREAS, the recent death of a firefighter in Fayette County is a tragic reminder of the danger these most brave and worthy public servants face every day in their duty to protect the residents of Fayette County; and

WHEREAS, the Council of the Lexington-Fayette Urban County Government has repeatedly failed to take action to provide adequate compensation to police officers and firefighters which would halt the departure of many qualified individuals who are leaving Fayette County to work in other cities and counties in the Commonwealth that provide adequate compensation to employees charged with protecting public safety; and

WHEREAS, the diminishing ranks of qualified police officers and firefighters is rapidly approaching a crisis situation in Fayette County.

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That this honorable body urge, encourage, and implore the Council of the Lexington-Fayette Urban County Government to take swift and immediate action to increase the compensation of police officers and firefighters in Fayette County by an amount commensurate with their duties and responsibilities and comparable to their counterparts in other areas in the Commonwealth.

Section 2. That the Clerk of the House of Representatives is directed to transmit a copy of this Resolution to Teresa Isaac, Mayor of Lexington-Fayette Urban County Government, and to each member of the Council of the Lexington-Fayette Urban County Government, Government Center, 200 East Main Street, Lexington, Kentucky 40507.

HB 639, AN ACT relating to construction of certain electric transmission lines.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 278.020 is amended to read as follows:

(1) No person, partnership, public or private corporation, or combination thereof shall commence providing utility service to or for the public or begin the construction of any plant, equipment, property, or facility for furnishing to the public any of the services enumerated in KRS 278.010, except retail electric suppliers for service connections to electric-consuming facilities located within its certified territory and ordinary extensions of existing systems in the usual course of business, until that person has obtained from the Public Service Commission a certificate that public convenience and necessity require the service or construction. Upon the filing of an application for a certificate, and after any public hearing which the commission may in its discretion conduct for all interested parties, the commission may issue or refuse to issue the certificate, or issue it in part and refuse it in part, except that the commission shall not refuse or modify an application submitted under KRS 278.023 without consent by the parties to the agreement. The commission, when considering an application for a certificate to construct a base load electric generating facility, may consider the policy of the General Assembly to foster and encourage use of Kentucky coal by electric utilities serving the Commonwealth. Unless exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court or failure to obtain any necessary grant or consent, the authority conferred by the issuance of the certificate of convenience and necessity shall be void, but the beginning of any new construction or facility in good faith within the time prescribed by the commission and the prosecution thereof with reasonable diligence shall constitute an exercise of authority under the certificate.

(2) *For the purposes of this section, construction of any electric transmission line of one hundred thirty-eight (138) kilovolts or more and of more than five thousand two hundred eighty (5,280) feet in length shall not be considered an ordinary extension of an existing system in the usual course of business and shall require a certificate of public convenience and necessity. However, ordinary extensions of existing systems in the usual course of business not requiring such a certificate shall include:*

(a) The replacement or upgrading of any existing electric transmission line; or

(b) The relocation of any existing electric transmission line to accommodate construction or expansion of a roadway or other transportation infrastructure; or

(c) An electric transmission line that is constructed solely to serve a single customer and that will pass over no property other than that owned by the customer to be served; or

(d) An electric transmission line proposed by a corporation organized under KRS Chapter 279.

(3) No utility shall exercise any right or privilege under any franchise or permit, after the exercise of that right or privilege has been voluntarily suspended or discontinued for more than one (1) year, without first obtaining from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity authorizing the exercise of that right or privilege.

(4)[~~(3)~~] No utility shall apply for or obtain any franchise, license, or permit from any city or other governmental agency until it has obtained from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity showing that there is a demand and need for the service sought to be rendered.

(5)[~~(4)~~] No person shall acquire or transfer ownership of, or control, or the right to control, any utility under the jurisdiction of the commission by sale of assets, transfer of stock, or otherwise, or abandon the same, without prior approval by the commission. The commission shall grant its approval if the person acquiring the utility has the financial, technical, and managerial abilities to provide reasonable service.

(6)[~~(5)~~] No individual, group, syndicate, general or limited partnership, association, corporation, joint stock company, trust, or other entity (an "acquirer"), whether or not organized under the laws of this state, shall acquire control, either directly or indirectly, of any utility furnishing utility service in this state, without having first obtained the approval of the commission. Any acquisition of control without prior authorization shall be void and of no effect. As used in this subsection, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a utility, whether through the ownership of voting securities, by effecting a change in the composition of the board of directors, by contract or otherwise. Control shall be presumed to exist if any individual or entity, directly or indirectly, owns ten percent (10%) or more of the voting securities of the utility. This presumption may be rebutted by a showing that ownership does not in fact confer control. Application for any approval or authorization shall be made to the commission in writing, verified by oath or affirmation, and be in a form and contain the information as the commission requires. The commission shall approve any proposed acquisition when it finds that the same is to be made in accordance with law, for a proper purpose and is consistent with the public interest. The commission may make investigation and hold hearings in the matter as it deems necessary, and thereafter may grant any application under this subsection in whole or in part and with modification and upon terms and conditions as it deems necessary or appropriate. The commission shall grant, modify, refuse, or prescribe appropriate terms and conditions with respect to every such application within sixty (60) days after the filing of the application therefor, unless it is necessary, for good cause shown, to continue the application for up to sixty (60) additional days. The order continuing the application shall state fully the facts that make continuance necessary. In the absence of that action within that period of time, any proposed acquisition shall be deemed to be approved.

(7)[~~(6)~~] Subsection *(6)*[~~(5)~~] of this section shall not apply to any acquisition of control of any:

(a) Utility which derives a greater percentage of its gross revenue from business in another jurisdiction than from business in this state if the commission determines that the other jurisdiction has statutes or rules which are applicable and are being applied and which afford protection to ratepayers in this state substantially equal to that afforded such ratepayers by subsection *(6)*[~~(5)~~] of this section;

(b) Utility by an acquirer who directly, or indirectly through one (1) or more intermediaries, controls, or is controlled by, or is under common control with, the utility, including any entity created at the direction of such utility for purposes of corporate reorganization; or

(c) Utility pursuant to the terms of any indebtedness of the utility, provided the issuance of indebtedness was approved by the commission.

(8) In a proceeding on an application filed under this Act, an interested person may request intervention, and the commission shall, if requested, conduct a public hearing in a county in which the transmission line is proposed to be constructed. The commission shall issue its decision no later than one hundred twenty (120) days after the application is filed. The commission may utilize the provisions of KRS 278.255(3) if, in the exercise of its discretion, it deems it necessary to hire a competent, qualified, and independent firm to assist it in reaching its decision. The issuance by the commission of a certificate that public convenience and necessity require the construction of an electric transmission line shall be deemed to be a determination by the commission that, as of the date of issuance, the construction of the line is a prudent investment.

(9)[~~(7)~~] If any provision of this section or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to that end the provisions are declared to be severable.

Section 2. KRS 278.516 is amended to read as follows:

(1) The legislature finds and determines that:

(a) Small telephone utilities lack the resources to fully participate in the existing regulatory processes, particularly under traditional rate of return and certificate of public convenience and necessity regulation;

(b) Regulation, if not tailored specifically to the needs of small telephone utilities, can retard the growth and development of small telephone utilities by requiring the expenditure of excessive time and money responding to and addressing regulatory processes instead of devoting those resources to customer service and more productive business concerns and issues; and

(c) It is in the public interest to provide regulatory flexibility to small telephone utilities to better enable them to adjust to the competition and innovation that has come and is coming to the telecommunications industry as found and determined by the legislature at KRS 278.512(1).

(2) In addition to the definitions set forth at KRS 278.010, the following definitions shall apply to this section:

(a) "Telephone utility" means a telephone utility as defined at KRS 278.010(3)(e) except that it includes local exchange carriers only;

(b) "Local exchange carrier" means a traditional wireline telephone utility which provides its subscribers with access to the national public switched telephone network;

(c) "Traditional wireline telephone utility" means one whose delivery of its telephone utility services is characterized by the predominant use of wire or wireline connections carrying communications transmissions between the subscriber of the utility and the national public switched telephone network;

(d) "Small telephone utility" means a local exchange carrier providing telephone utility service and having not more than fifty thousand (50,000) access lines in Kentucky;

(e) "Largest telephone utility" means the local exchange carrier providing telephone utility service in Kentucky and having the greatest number of access lines in Kentucky;

(f) "Access lines" mean the telephone lines provided by a local exchange carrier. In calculating the number of access lines provided by a local exchange carrier, the number of access lines provided by all telephone utilities under common ownership or control, as defined in KRS 278.020*(6)*[~~(5)~~], with that telephone utility shall be counted;

(g) "GDP" means the real Gross Domestic Product Price Index, as it may be amended from time to time, as it is published by the Bureau of Economic Analysis of the United States Department of Commerce;

(h) "Annual percent change in the GDP" means, for any given calendar year, the annul percentage change in the GDP as it is calculated by the Bureau of Economic Analysis of the United States Department of Commerce;

(i) "Basic business rate" and "basic residential rate" mean the total rates or charges which must be paid by a business or residential subscriber, respectively, to a local exchange carrier in order to receive, outside of a standard metropolitan statistical area, telephone utility service within a specified geographic area for local calling and for which tariffed rates or charges are assessed, regardless of the amount of use of local calling;

(j) "Standard metropolitan statistical area" means any area in Kentucky designated as such, or as a part thereof, pursuant to 44 U.S.C. sec. 3504(d)(3) and 31 U.S.C. sec. 1104(d), as they may be amended, by the Office of Management and Budget of the Executive Office of the President of the United States; provided, however, that for purposes of this section, "standard metropolitan statistical area" shall include only the two (2) largest, as measured by population, standard metropolitan statistical areas, regardless of whether that area is located wholly or partially in Kentucky;

(k) "Basic business service" or "basic residential service" means the service for which basic business rates or basic residential rates are charged;

(l) "Average basic business or residential rate, including zone charges," means the total revenues which should be produced by the imposition of those rates or charges divided by the number of access lines to which those rates or charges are applicable;

(m) "Zone charges" mean mileage or zone charges and are the charges assessed by a telephone utility on the basis of a subscriber's distance from a central office in order that the subscriber may receive basic business or residential services;

(n) "Subscriber" means the person or entity legally and financially responsible for the bill rendered by a telephone utility for its services;

(o) "Intrastate access charges" mean the charges assessed for use of the telecommunications facilities of one telephone utility by another person or entity in order to deliver to the public for compensation telephone messages originating and terminating within Kentucky;

(p) "Interstate access charges" mean the charges assessed for use of the telecommunications facilities of one (1) telephone utility by another person or entity in order to deliver to the public for compensation telephone messages originating or terminating, but not both, in Kentucky; and

(q) "Pic charges" are charges assessed by a local exchange carrier in order to implement a change in a subscriber's long distance carrier.

(3) (a) If a small telephone utility elects to be regulated as provided in subsection (7) of this section, a small telephone utility once during any twenty-four (24) month period may adjust or implement each of the following rates or charges: basic business rate; basic residential rate; zone charges; or installation charges for basic business or basic residential services by an amount not to exceed the sum of the annual percentage changes in the GDP for the immediately preceding two (2) calendar years multiplied by the existing rate or charge to be adjusted. However, in no event shall a small telephone utility so adjust:

1. Its basic business rate, including zone charges, if the resulting average basic business rate, including zone charges, would thereby exceed the average basic business rate, including zone charges, of the largest telephone utility;

2. Its basic residential rate, including zone charges, if the resulting average basic residential rate would thereby exceed the average basic residential rate including zone charges, of the largest telephone utility; or

3. If its average basic business rate, including zone charges, its average basic residential rate, including zone charges, or its installation charges for basic business or basic residential services would be increased by more than twenty percent (20%).

(b) At least sixty (60) calendar days before the effective date of such an adjustment of its rates or charges, a small telephone utility shall file a copy of its revised rates and tariffs with the commission and shall mail notice of the proposed rate adjustment to each affected subscriber and the commission. The notice shall state:

1. The GDP for the preceding two (2) calendar years;

2. The amount by which any of the small telephone utility's rates or charges identified in subsection (3)(a) of this section will be adjusted; and

3. The right of subscribers to object to the adjustment and request commission review by filing a letter or petition with the commission.

(c) If by the forty-fifth calendar day following the date of the notice to subscribers of such a proposed adjustment to its rates or charges, the commission has received letters or petitions requesting commission review of the adjustment signed by at least five hundred (500) subscribers or five percent (5%) of subscribers, whichever is greater, the commission shall immediately notify the small telephone utility of this fact, and the proposed rate adjustment shall not become effective as scheduled. The small telephone utility may withdraw the proposed rate or charge adjustment, or if it decides to proceed, the commission shall review the proposed rate adjustment as though no election had been made pursuant to subsection (7) of this section.

(4) Any other provision of this chapter notwithstanding, a small telephone utility which has elected to be regulated pursuant to this section may adjust any of its rates, charges, or tariffs, except for:

(a) Its basic business rate;

(b) Its basic residential rate;

(c) Its zone charges;

(d) Its installation charges for basic business or basic residential services;

(e) Its access charges; or

(f) Its pic charges,

without regard to the effect on its revenues, by filing its proposed rates, charges, or tariffs with the commission and by notifying its subscribers, both at least thirty (30) calendar days prior to the effective date of its proposed rates, charges, or tariffs.

(5) A small telephone utility which has elected to be regulated pursuant to this section shall not:

(a) Adjust its intrastate access charges if the adjustment requires the small telephone utility's access charge customers, including interexchange carriers, to pay intrastate access charges at levels exceeding the small telephone utility's interstate access charge levels; or

(b) Adjust its intrastate pic charges if the adjustment requires the small telephone utility's customers to pay intrastate pic charges at levels exceeding the small telephone utility's interstate pic charge levels.

The small telephone utility may decrease its intrastate access charges or intrastate pic charges to any level without restriction. Adjustments to intrastate access charge rates or intrastate pic charges shall be effective thirty (30) calendar days following the filing of access charge tariffs or pic charge tariffs with the commission.

(6) The rates, charges, earnings, or revenues of a small telephone utility which has elected to be regulated pursuant to this section and is in compliance with the provisions of this section shall be deemed by the commission to be in compliance with KRS 278.030(1).

(7) A small telephone utility may elect, at any time, to be regulated by the provisions, in their entirety only, of this section by filing a verified resolution of the utility's board of directors, or other governing body, so electing with the commission. An election shall be effective immediately upon filing with the commission and shall remain effective until withdrawn by the filing with the commission of a verified resolution of the small telephone utility's board of directors or other governing body; provided, however, that all resolutions of election or withdrawal shall remain in effect for at least one (1) year from the date of their filing with the commission. A resolution electing to be regulated by the provisions of this section shall mean that the small telephone utility so electing shall be regulated by this section and shall not be regulated by KRS 278.020(1) and 278.300. Nothing in this section, however, shall be construed to alter the applicability of KRS 278.020***(4)***[~~(3)~~] or 278.030(2) to small telephone utilities electing to be regulated by the provisions of this section.

(8) A small telephone utility which has elected to be regulated pursuant to this section may file an application with the commission pursuant to KRS 278.020(1), and, if a utility does so, that application shall be deemed to have been granted unless within thirty (30) calendar days following the filing of the application, the commission denies the application. If the application is denied or none is filed, the small telephone utility electing to be regulated pursuant to this section may

engage in the construction of the plant or facilities, or the purchase of equipment or properties, to provide the services described in KRS 278.010(3)(e). However, if the small telephone utility subsequently files a resolution of withdrawal under subsection (7) of this section, the increased value of property that resulted from any construction project denied approval by the commission or not submitted to the commission for approval may be excluded from the small utility's rate base for rate making purposes if the cost of construction exceeded one million dollars ($1,000,000) or five percent (5%) of the value of the small telephone utility's property as reflected in the utility's most recent annual report filed with the commission.

The Committee Substitute to **HB 639** is as follows:

HB 639, AN ACT relating to construction of certain electric transmission lines.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 278.020 is amended to read as follows:

(1) No person, partnership, public or private corporation, or combination thereof shall commence providing utility service to or for the public or begin the construction of any plant, equipment, property, or facility for furnishing to the public any of the services enumerated in KRS 278.010, except retail electric suppliers for service connections to electric-consuming facilities located within its certified territory and ordinary extensions of existing systems in the usual course of business, until that person has obtained from the Public Service Commission a certificate that public convenience and necessity require the service or construction. Upon the filing of an application for a certificate, and after any public hearing which the commission may in its discretion conduct for all interested parties, the commission may issue or refuse to issue the certificate, or issue it in part and refuse it in part, except that the commission shall not refuse or modify an application submitted under KRS 278.023 without consent by the parties to the agreement. The commission, when considering an application for a certificate to construct a base load electric generating facility, may consider the policy of the General Assembly to foster and encourage use of Kentucky coal by electric utilities serving the Commonwealth. Unless exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court or failure to obtain any necessary grant or consent, the authority conferred by the issuance of the certificate of convenience and necessity shall be void, but the beginning of any new construction or facility in good faith within the time prescribed by the commission and the prosecution thereof with reasonable diligence shall constitute an exercise of authority under the certificate.

(2) ***For the purposes of this section, construction of any electric transmission line of one hundred thirty-eight (138) kilovolts or more and of more than five thousand two hundred eighty (5,280) feet in length shall not be considered an ordinary extension of an existing system in the usual course of business and shall require a certificate of public convenience and necessity. However, ordinary extensions of existing systems in the usual course of business not requiring such a certificate shall include:***

(a) The replacement or upgrading of any existing electric transmission line; or

(b) The relocation of any existing electric transmission line to accommodate construction or expansion of a roadway or other transportation infrastructure; or

(c) An electric transmission line that is constructed solely to serve a single customer and that will pass over no property other than that owned by the customer to be served.

(3) No utility shall exercise any right or privilege under any franchise or permit, after the exercise of that right or privilege has been voluntarily suspended or discontinued for more than one (1) year, without first obtaining from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity authorizing the exercise of that right or privilege.

(4)[~~(3)~~] No utility shall apply for or obtain any franchise, license, or permit from any city or other governmental agency until it has obtained from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity showing that there is a demand and need for the service sought to be rendered.

(5)[~~(4)~~] No person shall acquire or transfer ownership of, or control, or the right to control, any utility under the jurisdiction of the commission by sale of assets, transfer of stock, or otherwise, or abandon the same, without prior approval by the commission. The commission shall grant its approval if the person acquiring the utility has the financial, technical, and managerial abilities to provide reasonable service.

(6)[~~(5)~~] No individual, group, syndicate, general or limited partnership, association, corporation, joint stock company, trust, or other entity (an "acquirer"), whether or not organized under the laws of this state, shall acquire control, either directly or indirectly, of any utility furnishing utility service in this state, without having first obtained the approval of the commission. Any acquisition of control without prior authorization shall be void and of no effect. As used in this subsection, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a utility, whether through the ownership of voting securities, by effecting a change in the composition of the board of directors, by contract or otherwise. Control shall be presumed to exist if any individual or entity, directly or indirectly, owns ten percent (10%) or more of the voting securities of the utility. This presumption may be rebutted by a showing that ownership does not in fact confer control. Application for any approval or authorization shall be made to the commission in writing, verified by oath or affirmation, and be in a form and contain the information as the commission requires. The commission shall approve any proposed acquisition when it finds that the same is to be made in accordance with law, for a proper purpose and is consistent with the public interest. The commission may make investigation and hold hearings in the matter as it deems necessary, and thereafter may grant any application under this subsection in whole or in part and with modification and upon terms and conditions as it deems necessary or appropriate. The commission shall grant, modify, refuse, or prescribe appropriate terms and conditions with respect to every such application within sixty (60) days after the filing of the application therefor, unless it is necessary, for good cause shown, to continue the application for up to sixty (60) additional days. The order continuing the application shall state fully the facts that make continuance necessary. In the absence of that action within that period of time, any proposed acquisition shall be deemed to be approved.

(7)[~~(6)~~] Subsection *(6)*[~~(5)~~] of this section shall not apply to any acquisition of control of any:

(a) Utility which derives a greater percentage of its gross revenue from business in another jurisdiction than from business in this state if the commission determines that the other jurisdiction has statutes or rules which are applicable and are being applied and which afford protection to ratepayers in this state substantially equal to that afforded such ratepayers by subsection *(6)*[~~(5)~~] of this section;

(b) Utility by an acquirer who directly, or indirectly through one (1) or more intermediaries, controls, or is controlled by, or is under common control with, the utility, including any entity created at the direction of such utility for purposes of corporate reorganization; or

(c) Utility pursuant to the terms of any indebtedness of the utility, provided the issuance of indebtedness was approved by the commission.

(8) In a proceeding on an application filed pursuant to this section, any interested person, including a person over whose property the proposed transmission line will cross, may request intervention, and the commission shall, if requested, conduct a public hearing in the county in which the transmission line is proposed to be constructed, or, if the transmission line is proposed to be constructed in more than one county, in one of those counties. The commission shall issue its decision no later than ninety (90) days after the application is filed, unless the commission extends this period, for good cause, to one hundred twenty (120) days. The commission may utilize the provisions of KRS 278.255(3) if, in the exercise of its discretion, it deems it necessary to hire a competent, qualified and independent firm to assist it in reaching its decision. The issuance by the commission of a certificate that public convenience and necessity require the construction of an electric transmission line shall be deemed to be a determination by the commission that, as of the date of issuance, the construction of the line is a prudent investment.

(9)[~~(7)~~] If any provision of this section or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to that end the provisions are declared to be severable.

Section 2. KRS 278.516 is amended to read as follows:

(1) The legislature finds and determines that:

(a) Small telephone utilities lack the resources to fully participate in the existing regulatory processes, particularly under traditional rate of return and certificate of public convenience and necessity regulation;

(b) Regulation, if not tailored specifically to the needs of small telephone utilities, can retard the growth and development of small telephone utilities by requiring the expenditure of excessive time and money responding to and addressing regulatory processes instead of devoting those resources to customer service and more productive business concerns and issues; and

(c) It is in the public interest to provide regulatory flexibility to small telephone utilities to better enable them to adjust to the competition and innovation that has come and is coming to the telecommunications industry as found and determined by the legislature at KRS 278.512(1).

(2) In addition to the definitions set forth at KRS 278.010, the following definitions shall apply to this section:

(a) "Telephone utility" means a telephone utility as defined at KRS 278.010(3)(e) except that it includes local exchange carriers only;

(b) "Local exchange carrier" means a traditional wireline telephone utility which provides its subscribers with access to the national public switched telephone network;

(c) "Traditional wireline telephone utility" means one whose delivery of its telephone utility services is characterized by the predominant use of wire or wireline connections carrying communications transmissions between the subscriber of the utility and the national public switched telephone network;

(d) "Small telephone utility" means a local exchange carrier providing telephone utility service and having not more than fifty thousand (50,000) access lines in Kentucky;

(e) "Largest telephone utility" means the local exchange carrier providing telephone utility service in Kentucky and having the greatest number of access lines in Kentucky;

(f) "Access lines" mean the telephone lines provided by a local exchange carrier. In calculating the number of access lines provided by a local exchange carrier, the number of access lines provided by all telephone utilities under common ownership or control, as defined in KRS 278.020***(6)***[~~(5)~~], with that telephone utility shall be counted;

(g) "GDP" means the real Gross Domestic Product Price Index, as it may be amended from time to time, as it is published by the Bureau of Economic Analysis of the United States Department of Commerce;

(h) "Annual percent change in the GDP" means, for any given calendar year, the annul percentage change in the GDP as it is calculated by the Bureau of Economic Analysis of the United States Department of Commerce;

(i) "Basic business rate" and "basic residential rate" mean the total rates or charges which must be paid by a business or residential subscriber, respectively, to a local exchange carrier in order to receive, outside of a standard metropolitan statistical area, telephone utility service within a specified geographic area for local calling and for which tariffed rates or charges are assessed, regardless of the amount of use of local calling;

(j) "Standard metropolitan statistical area" means any area in Kentucky designated as such, or as a part thereof, pursuant to 44 U.S.C. sec. 3504(d)(3) and 31 U.S.C. sec. 1104(d), as they may be amended, by the Office of Management and Budget of the Executive Office of the President of the United States; provided, however, that for purposes of this section, "standard metropolitan statistical area" shall include only the two (2) largest, as measured by population, standard metropolitan statistical areas, regardless of whether that area is located wholly or partially in Kentucky;

(k) "Basic business service" or "basic residential service" means the service for which basic business rates or basic residential rates are charged;

(l) "Average basic business or residential rate, including zone charges," means the total revenues which should be produced by the imposition of those rates or charges divided by the number of access lines to which those rates or charges are applicable;

(m) "Zone charges" mean mileage or zone charges and are the charges assessed by a telephone utility on the basis of a subscriber's distance from a central office in order that the subscriber may receive basic business or residential services;

(n) "Subscriber" means the person or entity legally and financially responsible for the bill rendered by a telephone utility for its services;

(o) "Intrastate access charges" mean the charges assessed for use of the telecommunications facilities of one telephone utility by another person or entity in order to deliver to the public for compensation telephone messages originating and terminating within Kentucky;

(p) "Interstate access charges" mean the charges assessed for use of the telecommunications facilities of one (1) telephone utility by another person or entity in order to deliver to the public for compensation telephone messages originating or terminating, but not both, in Kentucky; and

(q) "Pic charges" are charges assessed by a local exchange carrier in order to implement a change in a subscriber's long distance carrier.

(3) (a) If a small telephone utility elects to be regulated as provided in subsection (7) of this section, a small telephone utility once during any twenty-four (24) month period may adjust or implement each of the following rates or charges: basic business rate; basic residential rate; zone charges; or installation charges for basic business or basic residential services by an amount not to exceed the sum of the annual percentage changes in the GDP for the immediately preceding two (2) calendar years multiplied by the existing rate or charge to be adjusted. However, in no event shall a small telephone utility so adjust:

1. Its basic business rate, including zone charges, if the resulting average basic business rate, including zone charges, would thereby exceed the average basic business rate, including zone charges, of the largest telephone utility;
2. Its basic residential rate, including zone charges, if the resulting average basic residential rate would thereby exceed the average basic residential rate including zone charges, of the largest telephone utility; or
3. If its average basic business rate, including zone charges, its average basic residential rate, including zone charges, or its installation charges for basic business or basic residential services would be increased by more than twenty percent (20%).

(b) At least sixty (60) calendar days before the effective date of such an adjustment of its rates or charges, a small telephone utility shall file a copy of its revised rates and tariffs with the commission and shall mail notice of the proposed rate adjustment to each affected subscriber and the commission. The notice shall state:

1. The GDP for the preceding two (2) calendar years;
2. The amount by which any of the small telephone utility's rates or charges identified in subsection (3)(a) of this section will be adjusted; and
3. The right of subscribers to object to the adjustment and request commission review by filing a letter or petition with the commission.

(c) If by the forty-fifth calendar day following the date of the notice to subscribers of such a proposed adjustment to its rates or charges, the commission has received letters or petitions requesting commission review of the adjustment signed by at least five hundred (500) subscribers or five percent (5%) of subscribers, whichever is greater, the commission shall immediately notify the small telephone utility of this fact, and the proposed rate adjustment shall not become effective as scheduled. The small telephone utility may withdraw the proposed rate or charge adjustment, or if it decides to proceed, the commission shall review the proposed rate adjustment as though no election had been made pursuant to subsection (7) of this section.

(4) Any other provision of this chapter notwithstanding, a small telephone utility which has elected to be regulated pursuant to this section may adjust any of its rates, charges, or tariffs, except for:

(a) Its basic business rate;

(b) Its basic residential rate;

(c) Its zone charges;

(d) Its installation charges for basic business or basic residential services;

(e) Its access charges; or

(f) Its pic charges,

without regard to the effect on its revenues, by filing its proposed rates, charges, or tariffs with the commission and by notifying its subscribers, both at least thirty (30) calendar days prior to the effective date of its proposed rates, charges, or tariffs.

(5) A small telephone utility which has elected to be regulated pursuant to this section shall not:

(a) Adjust its intrastate access charges if the adjustment requires the small telephone utility's access charge customers, including interexchange carriers, to pay intrastate access charges at levels exceeding the small telephone utility's interstate access charge levels; or

(b) Adjust its intrastate pic charges if the adjustment requires the small telephone utility's customers to pay intrastate pic charges at levels exceeding the small telephone utility's interstate pic charge levels.

The small telephone utility may decrease its intrastate access charges or intrastate pic charges to any level without restriction. Adjustments to intrastate access charge rates or intrastate pic charges shall be effective thirty (30) calendar days following the filing of access charge tariffs or pic charge tariffs with the commission.

(6) The rates, charges, earnings, or revenues of a small telephone utility which has elected to be regulated pursuant to this section and is in compliance with the provisions of this section shall be deemed by the commission to be in compliance with KRS 278.030(1).

(7) A small telephone utility may elect, at any time, to be regulated by the provisions, in their entirety only, of this section by filing a verified resolution of the utility's board of directors, or other governing body, so electing with the commission. An election shall be effective immediately upon filing with the commission and shall remain effective until withdrawn by the filing with the commission of a verified resolution of the small telephone utility's board of directors or other governing body; provided, however, that all resolutions of election or withdrawal shall remain in effect for at least one (1) year from the date of their filing with the commission. A resolution electing to be regulated by the provisions of this section shall mean that the small telephone utility so electing shall be regulated by this section and shall not be regulated by KRS 278.020(1) and 278.300. Nothing in this section, however, shall be construed to alter the applicability of KRS 278.020***(4)***~~[(3)]~~ or 278.030(2) to small telephone utilities electing to be regulated by the provisions of this section.

(8) A small telephone utility which has elected to be regulated pursuant to this section may file an application with the commission pursuant to KRS 278.020(1), and, if a utility does so, that application shall be deemed to have been granted unless within thirty (30) calendar days following the filing of the application, the commission denies the application. If the application is denied or none is filed, the small telephone utility electing to be regulated pursuant to this section may engage in the construction of the plant or facilities, or the purchase of equipment or properties, to provide the services described in KRS 278.010(3)(e). However, if the small telephone utility subsequently files a resolution of withdrawal under subsection (7) of this section, the increased value of property that resulted from any construction project denied approval by the commission or not submitted to the commission for approval may be excluded from the small utility's rate base for rate making purposes if the cost of construction exceeded one million dollars ($1,000,000) or five percent (5%) of the value of the small telephone utility's property as reflected in the utility's most recent annual report filed with the commission.

HB 479, AN ACT relating to awards for students and teachers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly of the Commonwealth of Kentucky finds that high educational and academic achievement is encouraged and enhanced through the recognition of students who attain academic success and the educators whose example, guidance, and instruction inspired them to reach the highest levels of academic success. The General Assembly recognizes that the Commonwealth has limited resources to provide additional scholarship programs for high-achieving students and that the creation of a program to which the citizens, businesses, and others may contribute money or donations or any other gifts to acknowledge high academic achievement and encourage future success serves the vital public purpose of education in the Commonwealth.

(2) Governmental entities, individuals, businesses, partnerships or corporations, and civic or nonprofit organizations may donate property or funding to the corporation specified in Section 2 of this Act to provide awards to recognize any Kentucky high school student who attains high academic achievement, including but not limited to a score of 29 or above on the American College Test (ACT) or a score of 1280 or above on the Scholastic Aptitude Test (SAT). If the student takes both tests, the higher of the ACT and the SAT scores shall be considered for the award. The award may include monetary awards, gifts of books and other educational materials, or aid to summer camps and educational seminars valued at ten dollars ($10) or more. The student may attend any public school, or any private school, parochial school, church school, or home school located in Kentucky. The sponsoring donor may elect to designate an award to an eligible group of students based on specific identifying data maintained in the databases of the Kentucky Higher Education Assistance Authority or information otherwise available to the corporation specified in Section 2 of this Act.

(3) Governmental entities, individuals, businesses, partnerships or corporations, and civic or nonprofit organizations are encouraged to donate an equal amount of funding to the corporation specified in Section 2 of this Act to provide awards to recognize the teacher or teachers identified by an award-winning student as most responsible for his or her academic success.

(4) The Kentucky Higher Education Assistance Authority, the Kentucky Higher Education Student Loan Corporation, the Kentucky Educational Savings Plan Trust, and the Commonwealth Prepaid Tuition Trust Fund shall participate and cooperate with any sponsoring governmental entities, individuals, businesses, partnerships or corporations, and civic or nonprofit organizations that donate funding to provide awards for high school students and their teachers under this program. Notwithstanding any law of the Commonwealth to the contrary, the Kentucky Higher Education Assistance Authority, the Kentucky Higher Education Student Loan Corporation, the Kentucky Educational Savings Plan Trust, and the Commonwealth Prepaid Tuition Trust Fund shall exchange information from their databases with the corporation specified in Section 2 of this Act in furtherance of this program of awards.

(5) The corporation specified in Section 2 of this Act shall administer the program, develop procedures for disbursing the awards, and promulgate rules and policies concerning awards other than monetary awards as stated in subsection (2) of this section. The corporation shall determine the number of students to receive awards as described in subsection (2) of this section when funds are insufficient to award all eligible students. The corporation shall give priority to those students with the highest ACT or SAT test scores. The corporation may charge, against the donation, administrative fees for expenses incurred, including but not limited to the costs of mailing and handling the donor's monetary award, cover letter, and any other certificate or brochure describing the honor and expressing appreciation for the achievement of the students and teachers receiving the award.

Section 2. KRS 164A.337 is amended to read as follows:

(1) The board is authorized to incorporate an organization pursuant to KRS Chapter 273 for the eleemosynary, charitable, and educational purposes of administering an endowment trust. The organization so created shall be an instrumentality of the Commonwealth, but shall possess no part of the sovereign powers of the Commonwealth. The corporation shall be created to qualify as a tax exempt organization pursuant to Section 501(c)(3) of the Internal Revenue Code.

(2) The endowment trust created pursuant to subsection (1) of this section shall solicit and accept gifts, grants, donations, bequests, or other endowments, including general fund appropriations from the Commonwealth and grants from any federal or other governmental agency, for the purposes of the endowment trust.

(3) The endowment trust shall provide ***awards described in Section 1 of this Act and*** student financial assistance benefits, including, but not limited to, grants, scholarships, or loans to pay higher education costs of members of the public, ***including but not limited to those individuals*** designated as beneficiaries of participation agreements under the Kentucky Educational Savings Plan Trust, who enroll in an institution of higher education in Kentucky ***or beneficiaries under a prepaid tuition contract with the Commonwealth Prepaid Tuition Trust Fund***.

(4) The board is authorized to transfer to the endowment trust, after its qualification under Section 501(c)(3) of the Internal Revenue Code, any funds or assets then held in the endowment fund initially established pursuant to KRS 164A.335.

(5) Any gifts, grants, or donations made by any governmental unit or any person, firm, partnership***,***[~~ or~~] corporation***, and civic or nonprofit organization*** to the endowment trust shall be a grant, gift, or donation for the accomplishment of a valid public, eleemosynary, charitable, and educational purpose.

(6) The endowment trust shall submit an annual audited report, in accordance with KRS 164A.365(1) and (2), to the program administrator not later than the fifteenth of each September.

Section 3. Section 1 of this Act shall be named for the Commonwealth's official Latin motto as stated in KRS 2.105 in honor of the students who advocated the passage of legislation designating the phrase in the 2002 Regular Session of the General Assembly.

(5) Any gifts, grants, or donations made by any governmental unit or any person, firm, partnership***,***[~~ or~~] corporation***, and civic or nonprofit organization*** to the endowment trust shall be a grant, gift, or donation for the accomplishment of a valid public, eleemosynary, charitable, and educational purpose.

(6) The endowment trust shall submit an annual audited report, in accordance with KRS 164A.365(1) and (2), to the program administrator not later than the fifteenth of each September.

HB 604, AN ACT relating to school personnel.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.150 is amended to read as follows:

(1) All pupils admitted to the common schools shall comply with the lawful regulations for the government of the schools:

(a) Willful disobedience or defiance of the authority of the teachers or administrators, use of profanity or vulgarity, assault or battery or abuse of other students, the threat of force or violence, the use or possession of alcohol or drugs, stealing or destruction or defacing of school property or personal property of students, the carrying or use of weapons or dangerous instruments, or other incorrigible bad conduct on school property, as well as off school property at school-sponsored activities, constitutes cause for suspension or expulsion from school; and

(b) Assault or battery or abuse of school personnel; stealing or willfully or wantonly defacing, destroying, or damaging the personal property of school personnel on school property, off school property, or at school-sponsored activities constitutes cause for suspension or expulsion from school.

(2) Each local board of education shall adopt a policy requiring the expulsion from school for a period of not less than one (1) year for a student who is determined by the board to have brought a weapon to a school under its jurisdiction. The board shall also adopt a policy requiring disciplinary actions, up to and including expulsion from school, for a student who is determined by the board to have possessed prescription drugs or controlled substances for the purpose of sale or distribution at a school under the board's jurisdiction, or to have physically assaulted or battered or abused educational personnel or other students at a school or school function under the board's jurisdiction. The board may modify the expulsion requirement for students on a case-by-case basis. A board that has expelled a student from the student's regular school setting shall provide or assure that educational services are provided to the student in an appropriate alternative program or setting, unless the board has made a determination, on the record, supported by clear and convincing evidence, that the expelled student poses a threat to the safety of other students or school staff and cannot be placed into a state-funded agency program. Other intervention services as indicated for each student may be provided by the board or by agreement with the appropriate state or community agency. A state agency that provides the service shall be responsible for the cost. In determining whether a student has brought a weapon to school, a local board of education shall use the definition of "unlawful possession of a weapon on school property" stated in KRS 527.070.

(3) School administrators, teachers, or other school personnel may immediately remove or cause to be removed threatening or violent students from a classroom setting or from the district transportation system pending any further disciplinary action that may occur. Each board of education shall adopt a policy to assure the implementation of this section and to assure the safety of the students and staff.

(4) A pupil shall not be suspended from the common schools until after at least the following due process procedures have been provided:

(a) The pupil has been given oral or written notice of the charge or charges against him which constitute cause for suspension;

(b) The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them; and

(c) The pupil has been given an opportunity to present his own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension.

(5) The superintendent, principal ***or***[~~,~~] assistant principal[~~, or head teacher~~] of any school may suspend a pupil but shall report the action in writing immediately to the superintendent and to the parent, guardian, or other person having legal custody or

control of the pupil. The board of education of any school district may expel any pupil for misconduct as defined in subsection (1) of this section, but the action shall not be taken until the parent, guardian, or other person having legal custody or control of the pupil has had an opportunity to have a hearing before the board. The decision of the board shall be final.

(6) (a) Suspension of exceptional children, as defined in KRS 157.200, shall be considered a change of educational placement if:

1. The child is removed for more than ten (10) consecutive days during a school year; or

2. The child is subjected to a series of removals that constitute a pattern because the removals accumulate to more than ten (10) school days during a school year and because of other factors, such as the length of each removal, the total amount of time the child is removed, and the proximity of removals to one another.

(b) The admissions and release committee shall meet to review the placement and make a recommendation for continued placement or a change in placement and determine whether regular suspension or expulsion procedures apply. Additional evaluations shall be completed, if necessary.

(c) If the admissions and release committee determines that an exceptional child's behavior is related to his disability, the child shall not be suspended any further or expelled unless the current placement could result in injury to the child, other children, or the educational personnel, in which case an appropriate alternative placement shall be provided that will provide for the child's educational needs and will provide a safe learning and teaching environment for all. If the admissions and release committee determines that the behavior is not related to the disability, the local educational agency may pursue its regular suspension or expulsion procedure for the child, if the behavior so warrants. However, educational services shall not be terminated during a period of expulsion and during a suspension after a student is suspended for more than a total of ten (10) days during a school year. A district may seek temporary injunctive relief through the courts if the parent and the other members of the admissions and release committee cannot agree upon a placement and the current placement will likely result in injury to the student or others.

(7) Suspension of primary school students shall be considered only in exceptional cases where there are safety issues for the child or others.

Section 2. KRS 160.295 is amended to read as follows:

(1) The board of education of each public school district in the Commonwealth may adopt and promulgate a code of student rights and responsibilities for secondary schools from recommendations of a committee composed of students, faculty, parents, and school district administrative personnel.

(2) Such committee shall consist of two (2) students, two (2) parents of students, two (2) faculty members, two (2) representatives from administrative personnel of the district, and one (1) member of the local school board.

(d) The initial meeting of the elected and appointed members shall be no later than fourteen (14) days following the election.

(4) Each committee member shall be entitled to a single vote and any code of student rights and responsibilities adopted by a majority of the committee membership shall be submitted to the district board of education which may cause such code, in whole or in part, to be implemented in the public schools of the district.

(5) All meetings of the committee shall be open to the public and the committee shall hold at least one (1) public hearing on the proposed code before it is adopted and submitted to the district board of education for implementation.

(6) The code of student rights and responsibilities adopted by the committee may define rights and responsibilities regarding, but not limited to, the following:

(a) Right of expression, including, but not limited to, appearance, assembly, association, and circulation of petitions and literature;

(b) Right to participate in decision-making procedures directly affecting students;

(7) Students shall refrain from activity which materially or substantially disrupts the educational process or presents a clear and present danger to the health and safety of persons or property, or infringes on the rights of others.

(a) The state board or its designated agency shall assure through promulgation of administrative regulations that if a secondary school sponsors or intends to sponsor an athletic activity or sport that is similar to a sport for which National Collegiate Athletic Association members offer an athletic scholarship, the school shall sponsor the athletic activity or sport for which a scholarship is offered. The administrative regulations shall specify which athletic activities are similar to sports for which National Collegiate Athletic Association members offer scholarships.

(b) Beginning with the 2003-2004 school year, the state board shall require any agency or organization designated by the state board to manage interscholastic athletics to adopt bylaws that establish as members of the agency's or organization's board of control one (1) representative of nonpublic member schools who is elected by the nonpublic school members of the agency or organization from regions one (1) through eight (8) and one (1) representative of nonpublic member schools who is elected by the nonpublic member schools of the agency or organization from regions nine (9) through sixteen (16). The nonpublic school representatives on the board of control shall not be from classification A1 or D1 schools. Following initial election of these nonpublic school representatives to the agency's or organization's board of control, terms of the nonpublic school representatives shall be staggered so that only one (1) nonpublic school member is elected in each even-numbered year.

(c) The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws that prohibit pupils in grades seven (7) to eight (8) from participating in any high school sports except for high school varsity soccer and football, or from participating on more than one (1) school-sponsored team at the same time in the same sport. The Kentucky Board of Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity soccer and football for students who have not successfully completed the eighth grade.

(d) Every local board of education shall require an annual medical examination performed and signed by a physician, physician assistant, advanced registered nurse practitioner, or chiropractor, if performed within the professional's scope of practice, for each student seeking eligibility to participate in any high school athletic activity or sport. The Kentucky Board of Education or any organization or agency designated by the state board to manage interscholastic athletics shall not promulgate administrative regulations or adopt any policies or bylaws that are contrary to the provisions of this paragraph.

(e) Any student who turns nineteen (19) years of age prior to August 1 shall not be eligible for high school athletics in Kentucky. Any student who turns nineteen (19) years of age on or after August 1 shall remain eligible for that school year only.

(f) If the state board or any agency designated by the state board to manage interscholastic athletics promulgates administrative regulations that permit a school district to employ or assign nonteaching personnel to serve in a coaching position, those administrative regulations shall apply to all sports and sports activities, including basketball and football. The administrative regulations shall give preference to the hiring or assignment of certified personnel over nonteaching personnel in coaching positions.

(g) Two (2) public high schools may have a cooperative football program if the following conditions are met:

1. One (1) of the public high schools does not have an interscholastic football program or has not had an interscholastic football program for the last five (5) years;

2. The cooperative program is approved by the school-based decision making councils of the schools involved; and

3. The cooperative program is approved by the school boards of education of the districts of the schools involved.

Total enrollment of the larger of the two (2) schools shall determine the classification level at which the cooperative football program shall compete. Parents or guardians of nonresident students participating in a cooperative football program may be held responsible for incidental expenses not covered by the receiving school district. The Kentucky Board of Education or any organization or agency designated by the state board to manage interscholastic athletics shall not promulgate administrative regulations or adopt any policies or bylaws that are contrary to the provisions of this paragraph.

(3) (a) The Kentucky Board of Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient,

in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

(b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

(c) The Kentucky Board of Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be enclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

(5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.

A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.

(10) Notwithstanding subsections (1) to (9) of this section, a school's right to establish or maintain a school-based decision making council and the powers, duties, and authority granted to a school council may be rescinded or the school council's role may be advisory if the commissioner of education or the Kentucky Board of Education takes action under Section 1 of this Act.

The commissioner of education shall review the plan and approve it or identify specific areas for improvement. The superintendent or highly skilled educator shall report to the commissioner every six (6) months on the implementation and results of the approved plan.

A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.

(10) Notwithstanding subsections (1) to (9) of this section, a school's right to establish or maintain a school-based decision making council and the powers, duties, and authority granted to a school council may be rescinded or the school council's role may be advisory if the commissioner of education or the Kentucky Board of Education takes action under Section 1 of this Act.

(5) There is hereby created a special education trust fund to receive the funds withheld under subsection (2) of this section and interest accrued from the funds invested. The funds and interest shall not lapse, but shall be returned to the district when it is in compliance with all substantive requirements designed to ensure that students with disabilities receive an appropriate education under the Federal Individuals with Disabilities Education Act, as amended.

(6) All administrative hearings conducted under authority of this section shall be conducted in accordance with KRS Chapter 13B. The provisions of KRS Chapter 13B notwithstanding, the decision of the hearing officer in hearings under this section shall be the final order and shall be rendered *pursuant to 34 C.F.R. 300.511. A parent, public agency, or eligible student may only request the administrative hearing within three (3) years of the date the parent, public agency, or eligible student knew about the alleged action that forms the basis for the complaint. This three (3) year limit shall not limit the introduction of evidence older than three (3) years if the evidence is relevant to the complaint and shall not apply to the parent or the eligible student if the parent or eligible student was prevented from requesting the hearing due to:*

(a) Failure of the local educational agency to provide prior written or procedural safeguards notices;

(b) False representations that the local educational agency was attempting to resolve the problem forming the basis of the complaint; or

Without the consent of the General Assembly, the council shall not abolish or limit the total enrollment of the general program offered at any community college to meet the goal of reasonable access throughout the Commonwealth to a two (2) year course of general studies designed for transfer to a baccalaureate program. This does not restrict or limit the authority of the council, as set forth in this section, to eliminate or make changes in individual programs within that general program;

(16) Eliminate, in its discretion, existing programs or make any changes in existing academic programs at the state's postsecondary educational institutions, taking into consideration these criteria:

In accordance with administrative regulations promulgated by the council, those institutions not meeting the goals shall be able to obtain a temporary waiver, if the institution has made substantial progress toward meeting its equal educational opportunity goals;

(20) Ensure the coordination, transferability, and connectivity of technology among postsecondary institutions in the Commonwealth including the development and implementation of a technology plan as a component of the strategic agenda;

The responsibility may be exercised through appropriate contractual relationships with individuals or agencies located within or without the Commonwealth. The authority includes but is not limited to contractual arrangements for programs of research, specialized training, and cultural enrichment;

(23) Maintain procedures for the approval of a designated receiver to provide for the maintenance of student records of the public institutions of higher education and the colleges as defined in KRS 164.945, and institutions operating pursuant to KRS 165A.310 which offer collegiate level courses for academic credit, which cease to operate. Procedures shall include assurances that, upon proper request, subject to federal and state laws and regulations, copies of student records shall be made available within a reasonable length of time for a minimum fee;

(24) Monitor and transmit a report on compliance with KRS 164.351 to the director of the Legislative Research Commission for distribution to the Health and Welfare Committee;

(25) Develop in cooperation with each state postsecondary educational institution a comprehensive orientation program for new members of the council and the governing boards. The orientation program shall include but not be limited to the information concerning the roles of the council, the strategic agenda and the strategic implementation plan, and the respective institution's mission, budget, plans, policies, strengths, and weaknesses;

(26) Develop a financial reporting procedure to be used by all state postsecondary education institutions to ensure uniformity of financial information available to state agencies and the public;

(28) Employ consultants and other persons and employees as may be required for the council's operations, functions, and responsibilities;

(29) Promulgate administrative regulations, in accordance with KRS Chapter 13A, governing its powers, duties, and responsibilities as described in this section;

(30) Prepare and present by January 31 of each year an annual status report on postsecondary education in the Commonwealth to the Governor, the Strategic Committee on Postsecondary Education, and the Legislative Research Commission;

(31) Consider the role, function, and capacity of independent institutions of postsecondary education in developing policies to meet the immediate and future needs of the state. When it is found that independent institutions can meet state needs effectively, state resources may be used to contract with or otherwise assist independent institutions in meeting these

needs;

(32) Create advisory groups representing the presidents, faculty, nonteaching staff, and students of the public postsecondary education system and the independent colleges and universities;

(33) Develop a statewide policy to promote employee and faculty development in all postsecondary institutions and in state and locally operated secondary area technology centers through the waiver of tuition for college credit coursework in the public postsecondary education system. Any regular full-time employee of a postsecondary public institution or a state or locally operated secondary area technology center may, with prior administrative approval of the course offering institution, take a maximum of six (6) credit hours per term at any public postsecondary institution. The institution shall waive the tuition up to a maximum of six (6) credit hours per term;

(a) Promote coordination of programs and responsibilities linked to the issue of adult education with the Department for Adult Education and Literacy and with other agencies and institutions;

(b) Facilitate the development of strategies to increase the knowledge and skills of adults in all counties by promoting the efficient and effective coordination of all available education and training resources;

(c) Lead a statewide public information and marketing campaign to convey the critical nature of Kentucky's adult literacy challenge and to reach adults and employers with practical information about available education and training opportunities;

(d) Establish standards for adult literacy and monitor progress in achieving the state's adult literacy goals, including existing standards that may have been developed to meet requirements of federal law in conjunction with the Collaborative Center for Literacy Development: Early Childhood through Adulthood; and

(e) Administer the adult education and literacy initiative fund created under KRS 164.041; and

(35) Exercise any other powers, duties, and responsibilities necessary to carry out the purposes of this chapter. Nothing in this chapter shall be construed to grant the Council on Postsecondary Education authority to disestablish or eliminate any college of law which became a part of the state system of higher education through merger with a state college.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

1. Lapsed, forfeited, surrendered[~~,~~] or ***partially surrendered, assigned to the replacing insurer, or*** otherwise terminated;

2. Converted to reduced paid-up insurance, continued as extended term insurance, or otherwise reduced in value by the use of nonforfeiture benefits or other policy values;

3. Amended so as to effect either a reduction in benefits or in the term for which coverage would otherwise remain in force or for which benefits would be paid;

4. Reissued with any reduction in cash value; or

5. ***Used in a financed purchase***[~~Pledged as collateral or subjected to borrowing, whether in a single loan or under a schedule of borrowing over a period of time for amounts in the aggregate exceeding twenty-five percent (25%) of the loan value set forth in the policy~~];

(b) The new life insurance ***policy or annuity contract*** issued by the replacing insurer may be voluntarily surrendered by the insured at any time within thirty (30) days after its delivery to the insured in exchange for a full refund of premiums paid by the replacing insurer to the insured.

(b)[~~(c)~~]Group life insurance, group credit life insurance, and life insurance policies issued in connection with a pension, profit-sharing or other benefit plan qualifying for tax deductibility of premiums, provided, however, that as to any plan described in this subsection, full and complete disclosure of all material facts shall be given to the administrator of any plan to be replaced;

(c)[~~(d) Variable life insurance under which the death benefits and cash values vary in accordance with unit values of investments held in a separate account;~~

~~(e)~~] An application to the existing insurer that issued the existing life insurance and a contractual policy change or conversion privilege or a privilege of policy change granted by the insurer is being exercised;

(d)[~~(f)~~] Existing life insurance that is a nonconvertible term life insurance policy which will expire in five (5) years or less and cannot be renewed; or

(e)[~~(g)~~]Proposed life insurance that is to replace life insurance under a binding or conditional receipt issued by the same company.

(5)[~~As to proposed life insurance that is to replace existing life insurance issued by the same insurer or an insurer in the same group of affiliated insurers:~~

~~(a) Subsection (2) of this section shall not apply to such insurance; and~~

~~(b) Subsection (3) of this section shall apply to such insurance.~~

The Committee Substitute to **HB 545** is as follows:

(e) "Financed purchase" means the purchase of a new policy involving the actual or intended use of funds obtained by the withdrawal or surrender of, or by borrowing from values of, an existing policy to pay all or part of any premium due on the new policy. HB 546, AN ACT relating to state risk.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 44.055 is amended to read as follows:

(1) Any state agency, as defined in KRS Chapter 12, may in its discretion, for the protection of the public and its employees, expend state funds to purchase policies of insurance of all kinds deemed advisable covering vehicles, including boats, owned by the state and operated by state employees when in the conduct of official business. The commissioner of insurance, upon recommendation of the secretary of the Finance and Administration Cabinet, shall initiate and be responsible for the purchase of a blanket liability insurance policy to cover the officers and employees of the several state agencies and shall determine, by administrative regulation, the policy limits that shall be applicable to the persons covered in each such affected agency[~~ not to exceed the limit prescribed in KRS 44.070~~].

(2) Nothing contained in this section shall be construed to be a waiver of sovereign immunity and claims against the Commonwealth, its agencies, officers, employees, or insurers may be asserted only in the manner set forth in KRS 44.070 to 44.160.

(3) Policies authorized by this section shall be purchased only from insurers authorized to do business in this state and shall be countersigned by a licensed resident agent.

Section 2. KRS 56.080 is amended to read as follows:

Before July 1 of each year, the Department of Insurance shall reconsider its appraisal and valuation of ***all real***[~~public buildings and personal~~] property belonging to or under the control and use of the state or any state agency, and shall certify any changes in value to the agency that has the custody or control of the property. ***Each state agency shall receive an independent appraisal for the value of all personal property belonging to or under the control and use of that state agency and submit such appraisal to the Department of Insurance by July 1 of each year. In the alternative, the agency may certify to the appraised value of the personal property and submit the certified value to the Department of Insurance.*** The appraisal and valuation ***of such real and personal property*** shall equal the amount that the Department of Insurance ***or such state agency*** deems necessary to replace the property at the time of the appraisal, which may be less actual depreciation.

Section 3. KRS 56.090 is amended to read as follows:

Before July 1 of each year the Department of Insurance shall fix, upon ***all real property***[~~each public building~~] and[~~ upon~~] each class of personal property belonging to or controlled or used by the state or any agency of the state, the rate of premium that the Department of Insurance deems to be the average rate charged by responsible insurance companies doing business in this state for insurance against damage by fire and other hazards upon property of like kind and degree of risk. The premium and insurance shall be calculated upon ***one hundred percent (100%)***[~~ninety percent (90%)~~] of the valuation ***of all real property and each class of personal property***. Before July 1 of each year the Department of Insurance shall certify to the State Treasurer the premium to be charged against each agency of the state.

Section 4. KRS 56.100 is amended to read as follows:

(1) Each fiscal year the State Treasurer shall deduct from any funds in his hands payable to an agency for the care and maintenance of ***real and personal***[~~public buildings or~~] property, an amount equal to the premiums certified to him as chargeable against that agency. The amount so debited shall be credited to an account kept by the State Treasurer and known as the state fire and tornado insurance fund. No premium shall be charged on any one (1) subject of risk upon a valuation of more than ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~] unless the Department of Insurance has contracted for reinsurance that limits the liability of the fund to ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~] upon such subject of risk.

(2) The department shall prescribe a certificate setting forth the terms and conditions of coverage under the state fire and

tornado insurance fund. Different forms of certificates may be used for different risks. Such certificates may contain such terms and conditions as the department may prescribe, including, but not limited to, a deductible in order that there be fair allocation of significant losses and the elimination of unnecessary costs in administering the state fire and tornado insurance fund.

Section 5. KRS 56.120 is amended to read as follows:

When the amount of damage has been determined, the State Treasurer shall debit the account of the state fire and tornado insurance fund by that amount and credit[~~ with~~] an equal amount ***to*** the account of the agency that has control or custody of the property damaged, and upon warrant from the Finance and Administration Cabinet, the Treasurer shall pay to the agency the amount so credited to it, for the purpose of repairing the damage or reconstructing or replacing the damaged or destroyed property. No debit, credit, or payment made on account of the damage to any one (1) subject of risk, by any one (1) loss, shall be in excess of ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~], unless the Department of Insurance has effected reinsurance upon the subject of risk such as to limit the liability of the state fire and tornado insurance fund to ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000), and unless the excess over this amount has actually been paid into the fund by the reinsuring company or companies~~].

Section 8. KRS 56.160 is amended to read as follows:

With the approval of the Finance and Administration Cabinet, the Department of Insurance may contract with any responsible ***property and casualty insurer***[~~fire and tornado insurance or reinsurance company~~] authorized to do business in Kentucky to reinsure any subject of risk of which the total valuation has been fixed at over ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~] in such a way as to limit the net liability of the state fire and tornado insurance fund with respect to such subject of risk to ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~]. The premium for reinsurance shall be paid out of the state fire and tornado insurance fund, on warrant of the Finance and Administration Cabinet.

Section 9. KRS 56.170 is amended to read as follows:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 56.080 is amended to read as follows:

Before July 1 of each year, the Department of Insurance shall reconsider its appraisal and valuation of ***all real***[~~public buildings and personal~~] property belonging to or under the control and use of the state or any state agency, and shall certify any changes in value to the agency that has the custody or control of the property. ***Each state agency shall notify the Department of Insurance of the value of the personal property belonging to or under the control and use of that state agency by July 1 of each year.*** The appraisal and valuation ***of such real and personal property*** shall equal the amount that the Department of Insurance ***or such state agency*** deems necessary to replace the property at the time of the appraisal, which may be less actual depreciation.

Section 2. KRS 56.090 is amended to read as follows:

Before July 1 of each year the Department of Insurance shall fix, upon ***all real property***[~~each public building~~] and[~~ upon~~] each class of personal property belonging to or controlled or used by the state or any agency of the state, the rate of premium that the Department of Insurance deems to be the average rate charged by responsible insurance companies doing business in this state for insurance against damage by fire and other hazards upon property of like kind and degree of risk. The premium and insurance shall be calculated upon ***one hundred percent (100%)***[~~ninety percent (90%)~~] of the valuation ***of all real property and each class of personal property***. The amount so debited shall be credited to an account kept by the State Treasurer and known as the state fire and tornado insurance fund. (2) The department shall prescribe a certificate setting forth the terms and conditions of coverage under the state fire and tornado insurance fund. Different forms of certificates may be used for different risks. Such certificates may contain such terms and conditions as the department may prescribe, including, but not limited to, a deductible in order that there be fair allocation of significant losses and the elimination of unnecessary costs in administering the state fire and tornado insurance fund.

SB 171; AN ACT relating to reinsurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.5-140 is amended to read as follows:

(1) (a) For the purposes of subsection (3)(c) of this section, a "qualified United States financial institution" means an institution that:

1. Is organized or, in the case of a United States office of a foreign banking organization, licensed under the laws of the United States or any state thereof;

2. Is regulated, supervised, and examined by the United States federal or state authorities having regulatory authority over banks and trust companies; and

3. Has been determined by the commissioner, or the Securities Valuation Office of the National Association of Insurance Commissioners, to meet the standards of financial condition and standing considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the commissioner.

(b) A "qualified United States financial institution" means, for purposes of those provisions of this section specifying those institutions that are eligible to act as a fiduciary of a trust, an institution that:

1. Is organized or, in the case of a United States branch or agency office of a foreign banking organization, licensed under the laws of the United States or any state thereof and has been granted authority to operate with fiduciary powers; and

2. Is regulated, supervised, and examined by federal or state authorities having regulatory authority over banks and trust companies.

(2) Credit for reinsurance shall be allowed a ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of paragraphs (a), (b), (c), (d), or (e) of this subsection. If meeting the requirements of paragraphs (c) or (d) of this subsection, the requirements of paragraph (f) of this subsection shall also be met.

(a) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is authorized to transact insurance or reinsurance in Kentucky.

(b) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is accredited as a reinsurer in Kentucky. An accredited reinsurer is one which:

1. Files with the commissioner evidence of its submission to Kentucky's jurisdiction;

2. Submits to Kentucky's authority to examine its books and records;

3. Is licensed to transact insurance or reinsurance in at least one (1) state, or in the case of a United States branch of an alien assuming insurer, is entered through and licensed to transact insurance or reinsurance in at least one (1) state;

4. Files annually with the commissioner a copy of its annual statement filed with the insurance regulatory official of its state of domicile and a copy of its most recent audited financial statement, and either:

a. Maintains a surplus as regards policyholders in an amount which is not less than twenty million dollars ($20,000,000) and whose accreditation has not been denied by the commissioner within ninety (90) days of its submission; or

b. Maintains a surplus as regards policyholders in an amount less than twenty million dollars ($20,000,000) and whose accreditation has been approved by the commissioner.

5. Credit shall not be allowed a ceding insurer under this paragraph if the assuming insurer's accreditation has been revoked by the commissioner after notice and hearing.

(c) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is domiciled and licensed in or, in the case of a United States branch of an alien assuming insurer, is entered through a state which employs standards regarding credit for reinsurance substantially similar to those applicable under this section and the assuming insurer or United States branch of an alien insurer:

1. Maintains a surplus as regards policyholders in an amount not less than twenty million dollars ($20,000,000); and

2. Submits to the authority of the commissioner to examine its books and records.

However, subparagraph 1. of this paragraph shall not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

(d) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer which maintains a trust fund in a qualified United States financial institution for the payment of valid claims of its United States policyholders and ceding insurers, their assigns, and successors in interest. The assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the National Association of Insurance Commissioners annual statement form by authorized insurers to enable the commissioner to determine the sufficiency of the trust fund. In the case of a single assuming insurer, the trust fund shall consist of a trusteed account representing the assuming insurer's liabilities attributable to business written in the United States and, in addition, the assuming insurer shall maintain a trusteed surplus of not less than twenty million dollars ($20,000,000). In the case of a group including incorporated and individual unincorporated underwriters, the trust shall consist of a trusteed account representing the group's liabilities attributable to business written in the United States; and, in addition, the group shall maintain a trusteed surplus of which one hundred million dollars ($100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group, the incorporated members of which group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group's domiciliary regulator as are the unincorporated members; and the group shall make available to the commissioner an annual certification of the solvency of each underwriter by the group's domiciliary insurance regulatory official and its independent public accountants.

2. In the case of a group of incorporated insurers under common administration which complies with the filing requirements contained in subparagraph 1. of this paragraph, and which is under the supervision of the Department of Trade and Industry of the United Kingdom and submits to the commissioner's authority to examine its books and records and bears the expense of the estimation, and which has aggregate policyholders' surplus of ten billion dollars ($10,000,000,000), the trust shall be in an amount equal to the group's several liabilities attributable to business written in the United States plus the group shall maintain a joint trusteed surplus of which one hundred million dollars ($100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group, and each member of the group shall make available to the commissioner an annual certification of the member's solvency by the member's domiciliary insurance regulatory official and its independent public accountant.

3. The trust shall be established in a form approved by the commissioner. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in the trustees of the trust for its United States policyholders and ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner. The trust shall remain in effect for as long as the assuming insurer shall have outstanding obligations due under the reinsurance agreements subject to the trust.

4. No later than February 28 of each year, the trustees of the trust shall report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding year end and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the next following December 31.

(e) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of paragraphs (a), (b), (c), or (d) of this subsection, but only with respect to the insurance of risks located in jurisdictions where such reinsurance is required by applicable law or regulation of that jurisdiction or reinsurance ceded to a residual market mechanism reinsurance association, or the members thereof, created pursuant to law or which has been voluntarily created as such by its members with the approval of the commissioner.

(f) If the assuming insurer is not authorized or accredited to transact insurance or reinsurance in Kentucky, the credit permitted by paragraphs (c) and (d) of this subsection shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:

1. That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give the court jurisdiction, and shall abide by the final decision of the court or of any appellate court in the event of an appeal; and

2. To designate the Secretary of State or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding insurer.

This paragraph is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if this obligation is created in the agreement.

(3) A reduction from liability for the reinsurance ceded by an insurer to an assuming insurer not meeting the requirements of subsection (2) of this section shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer and the reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or, in the case of a trust, held in a qualified United States financial institution. This security may be in the form of:

(a) Cash;

(b) Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners and qualifying as admitted assets;

(c) Clean, irrevocable, unconditional letters of credit issued or confirmed by a qualified United States financial institution no later than December 31 in respect of the year for which filing is being made, and in the possession of the ceding insurer on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance, or confirmation, shall, notwithstanding the issuing, or confirming, institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever first occurs; or

(d) Any other form of security acceptable to the commissioner.

(4) Cession of bulk reinsurance by a domestic insurer is subject to KRS 304.24-420.

(5) ***(a)*** Credit shall be allowed as an asset or as a deduction from liability, to any ceding insurer for reinsurance ceded to an assuming insurer qualified therefor under subsections (2), (3), or (4) of this section, except that no such credit shall be allowed unless the reinsurance ***contract provides, in substance, that in the event of the insolvency of the ceding insurer, the reinsurance shall be***[~~ is~~] payable ***under a contract reinsured*** by the assuming insurer on the basis of ***reported claims allowed by the liquidation court,***[~~the liability of the ceding insurer under the contracts reinsured~~] without diminution because of the insolvency of the ceding insurer. ***Such payments shall be made directly to the ceding insurer or to its domiciliary liquidator except:***

1. Where the contract or other written agreement specifically provides another payee of such reinsurance in the event of the insolvency of the ceding insurer; or

2. Where the assuming insurer, with the consent of the direct insured, has assumed such policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under such policies and in substitution for the obligations of the ceding insurer to such payees.

(b) The reinsurance agreement may provide that the domiciliary liquidator of an insolvent ceding insurer shall give written notice to the assuming insurer of the pendency of a claim against such ceding insurer on the contract reinsured within a reasonable time after such claim is filed in the liquidation proceeding. During the pendency of such claim, any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defenses which it deems available to the ceding insurer or its liquidator. Such expense may be filed as a claim against the insolvent ceding insurer to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer. Where two (2) or more assuming insurers are involved in the same claim and a majority in interest elect to interpose a defense to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the ceding insurer.

(6) Upon request of the commissioner an insurer shall promptly inform the commissioner in writing of the cancellation or any other material change of any of its reinsurance treaties or arrangements.

(7) Subsections (1) to (3) of this section shall apply to all cessions after July 14, 1992, under reinsurance agreements which have had an inception, anniversary, or renewal date not less than six (6) months after July 14, 1992.

Section 2. KRS 304.33-330 is amended to read as follows:

(1) Set-offs allowed in general. Mutual debt or mutual credits between the insurer and another person in connection with any action or proceeding under this subtitle shall be set off and the balance only shall be allowed or paid, except as provided in subsection (2) of this section.

(2) Exceptions. No set-off or counterclaim shall be allowed in favor of any person where:

(a) The obligation of the insurer to the person would not at the date of the filing of a petition for liquidation entitle him to share as a claimant in the assets of the insurer;

(b) The obligation of the insurer to the person was purchased by or transferred to the person with a view to its being used as a set-off; ***or***

(c) The obligation of the person is to pay an assessment levied against the members or subscribers of the insurer, or is to pay a balance upon a subscription to the capital stock of the insurer, or is in any other way in the nature of a capital contribution[~~; or~~

~~(d) The obligation of the person is to pay earned premiums to the insurer. However, nothing in this subsection shall restrict the right of a person to set off premium due to or from the insurer pursuant to a reinsurance contract in any delinquency proceeding commenced against an insurer after July 15, 1996~~].

Section 3. KRS 304.33-350 is amended to read as follows:

The amount recoverable by the liquidator from a reinsurer shall not be reduced as a result of delinquency proceedings ***unless the reinsurance contract provides, in substance, that in the event of the insolvency of the ceding insurer the reinsurance shall be***

payable under a contract reinsured by the assuming insurer on the basis of reported claims allowed by the liquidation court, without diminution because of the insolvency of the ceding insurer. Such payments shall be made directly to the ceding insurer or to its domiciliary liquidator, except:

(1) Where the contract or other written agreement specifically provides another payee of such reinsurance in the event of the insolvency of the ceding insurer; or

(2) Where the assuming insurer, with the consent of the direct insured, has assumed such policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under such policies and in substitution for the obligations of the ceding insurer to such payees[~~, regardless of any provision in the reinsurance contract or other agreement. Payment made directly to an insured or other creditor shall not diminish the reinsurer's obligation to the insurer's estate except when the reinsurance contract provided for direct coverage of an individual named insured and the payment was made in discharge of that obligation~~].

Section 4. KRS 304.33-380 is amended to read as follows:

(1) Claims contingent on judgments. The claim of a third party which is contingent only on his first obtaining a judgment against the insured shall be considered and allowed as if there were no such contingency.

(2) Claims under terminated policies. Any claim that would have become absolute if there had been no termination of coverage under KRS 304.33-120, and which was not covered by insurance acquired to replace the terminated coverage, shall be allowed as if the coverage had remained in effect, unless at least ten (10) days before the insured event occurred either the claimant had actual notice of the termination or notice was mailed to him as prescribed by subsection (1) of KRS 304.33-250, or subsection (1) of KRS 304.33-260. If allowed, the claim shall share in distributions under subsection (9) of KRS 304.33-430.

(3) Other contingent claims. A claim may be allowed even if contingent, if it is filed in accordance with subsection (2) of KRS 304.33-360. It may be allowed and may participate in all dividends declared after it is filed, to the extent that it does not prejudice the orderly administration of the liquidation.

(4) Immature claims. Claims that are due except for the passage of time shall be treated as absolute claims are treated, except that where justice requires the court may order them discounted at the legal rate of interest.

(5) (a) Nothing in this section or any other section in this subtitle shall be construed as authorizing the receiver, or any other entity, to compel payment from a reinsurer on the basis of estimated incurred but not reported losses or outstanding reserves.

(b) Notwithstanding the provisions of this section or any other section of this subtitle to the contrary, the liquidator may negotiate a voluntary commutation and release of all obligations arising from reinsurance contracts or other agreements.

SECTION 5. A NEW SECTION OF SUBTITLE 5 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) An authorized insurer may reinsure its risks, or any part of its risks, in any insurer authorized to do business in this state, in any other state of the United States, or in the District of Columbia, or in any alien insurer.

(2) An authorized insurer may reinsure an insurer eligible for export pursuant to Subtitle 10 of KRS Chapter 304, in whole or in part, as to property and casualty insurance policies which principally contemplate performance in Kentucky or as to such policies the principal subjects of risk of which are located in Kentucky.

(3) The provisions of this section shall apply to reinsurance agreements which have had an inception, anniversary, or renewal date on or after January 1, 2005.

Section 6. The amendment to KRS 304.33-330 contained in Section 2 of this Act does not affect contracts entered into prior to the effective date of this Act.

The House Committee Substitute to **SB 171** is as follows:

SB 171, AN ACT relating to reinsurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1.. KRS 304.5-140 is amended to read as follows:

(1) (a) For the purposes of subsection (3)(c) of this section, a "qualified United States financial institution" means an institution that:

1. Is organized or, in the case of a United States office of a foreign banking organization, licensed under the laws of the United States or any state thereof;

2. Is regulated, supervised, and examined by the United States federal or state authorities having regulatory authority over banks and trust companies; and

3. Has been determined by the commissioner, or the Securities Valuation Office of the National Association of Insurance Commissioners, to meet the standards of financial condition and standing considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to

the commissioner.

(b) A "qualified United States financial institution" means, for purposes of those provisions of this section specifying those institutions that are eligible to act as a fiduciary of a trust, an institution that:

1. Is organized or, in the case of a United States branch or agency office of a foreign banking organization, licensed under the laws of the United States or any state thereof and has been granted authority to operate with fiduciary powers; and

2. Is regulated, supervised, and examined by federal or state authorities having regulatory authority over banks and trust companies.

(2) Credit for reinsurance shall be allowed a ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of paragraphs (a), (b), (c), (d), or (e) of this subsection. If meeting the requirements of paragraphs (c) or (d) of this subsection, the requirements of paragraph (f) of this subsection shall also be met.

(a) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is authorized to transact insurance or reinsurance in Kentucky.

(b) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is accredited as a reinsurer in Kentucky. An accredited reinsurer is one which:

1. Files with the commissioner evidence of its submission to Kentucky's jurisdiction;

2. Submits to Kentucky's authority to examine its books and records;

3. Is licensed to transact insurance or reinsurance in at least one (1) state, or in the case of a United States branch of an alien assuming insurer, is entered through and licensed to transact insurance or reinsurance in at least one (1) state;

4. Files annually with the commissioner a copy of its annual statement filed with the insurance regulatory official of its state of domicile and a copy of its most recent audited financial statement, and either:

a. Maintains a surplus as regards policyholders in an amount which is not less than twenty million dollars ($20,000,000) and whose accreditation has not been denied by the commissioner within ninety (90) days of its submission; or

b. Maintains a surplus as regards policyholders in an amount less than twenty million dollars ($20,000,000) and whose accreditation has been approved by the commissioner.

5. Credit shall not be allowed a ceding insurer under this paragraph if the assuming insurer's accreditation has been revoked by the commissioner after notice and hearing.

(c) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is domiciled and licensed in or, in the case of a United States branch of an alien assuming insurer, is entered through a state which employs standards regarding credit for reinsurance substantially similar to those applicable under this section and the assuming insurer or United States branch of an alien insurer:

1. Maintains a surplus as regards policyholders in an amount not less than twenty million dollars ($20,000,000); and

2. Submits to the authority of the commissioner to examine its books and records.

However, subparagraph 1. of this paragraph shall not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

(d) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer which maintains a trust fund in a qualified United States financial institution for the payment of valid claims of its United States policyholders and ceding insurers, their assigns, and successors in interest. The assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the National Association of Insurance Commissioners annual statement form by authorized insurers to enable the commissioner to determine the sufficiency of the trust fund. In the case of a single assuming insurer, the trust fund shall consist of a trusteed account representing the assuming insurer's liabilities attributable to business written in the United States and, in addition, the assuming insurer shall maintain a trusteed surplus of not less than twenty million dollars ($20,000,000). In the case of a group including incorporated and individual unincorporated underwriters, the trust shall consist of a trusteed account representing the group's liabilities attributable to business written in the United States; and, in addition, the group shall maintain a trusteed surplus of which one hundred million dollars ($100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group, the incorporated members of which group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group's domiciliary regulator as are the unincorporated members; and the group shall make available to the commissioner an annual certification of the solvency of each underwriter by the group's domiciliary insurance regulatory official and its independent public accountants.

2. In the case of a group of incorporated insurers under common administration which complies with the filing requirements contained in subparagraph 1. of this paragraph, and which is under the supervision of the Department of Trade and Industry of the United Kingdom and submits to the commissioner's authority to examine its books and records and bears the expense of the estimation, and which has aggregate policyholders' surplus of ten billion dollars ($10,000,000,000), the trust shall be in an amount equal to the group's several liabilities attributable to business written in the United States plus the group shall maintain a joint trusteed surplus of which one hundred million dollars ($100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group, and each member of the group shall make available to the commissioner an annual certification of the member's solvency by the member's domiciliary insurance regulatory official and its independent public accountant.

3. The trust shall be established in a form approved by the commissioner. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in the trustees of the trust for its United States policyholders and ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner. The trust shall remain in effect for as long as the assuming insurer shall have outstanding obligations due under the reinsurance agreements subject to the trust.

4. No later than February 28 of each year, the trustees of the trust shall report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding year end and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the next following December 31.

(e) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of paragraphs (a), (b), (c), or (d) of this subsection, but only with respect to the insurance of risks located in jurisdictions where such reinsurance is required by applicable law or regulation of that jurisdiction or reinsurance ceded to a residual market mechanism reinsurance association, or the members thereof, created pursuant to law or which has been voluntarily created as such by its members with the approval of the commissioner.

(f) If the assuming insurer is not authorized or accredited to transact insurance or reinsurance in Kentucky, the credit permitted by paragraphs (c) and (d) of this subsection shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:

1. That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give the court jurisdiction, and shall abide by the final decision of the court or of any appellate court in the event of an appeal; and

2. To designate the Secretary of State or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding insurer.

This paragraph is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if this obligation is created in the agreement.

(3) A reduction from liability for the reinsurance ceded by an insurer to an assuming insurer not meeting the requirements of subsection (2) of this section shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer and the reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or, in the case of a trust, held in a qualified United States financial institution. This security may be in the form of:

(a) Cash;

(b) Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners and qualifying as admitted assets;

(c) Clean, irrevocable, unconditional letters of credit issued or confirmed by a qualified United States financial institution no later than December 31 in respect of the year for which filing is being made, and in the possession of the ceding insurer on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance, or confirmation, shall, notwithstanding the issuing, or confirming, institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever first occurs; or

(d) Any other form of security acceptable to the commissioner.

(4) Cession of bulk reinsurance by a domestic insurer is subject to KRS 304.24-420.

(5) ***(a)*** Credit shall be allowed as an asset or as a deduction from liability, to any ceding insurer for reinsurance ceded to an assuming insurer qualified therefor under subsections (2), (3), or (4) of this section, except that no such credit shall be allowed unless the reinsurance ***contract provides, in substance, that in the event of the insolvency of the ceding insurer, the reinsurance shall be***[~~ is~~] payable ***under a contract reinsured*** by the assuming insurer on the basis of ***reported claims allowed by the liquidation court,***[~~the liability of the ceding insurer under the contracts reinsured~~] without diminution because of the insolvency of the ceding insurer. ***Such payments shall be made directly to the ceding insurer or to its domiciliary liquidator except:***

1. Where the contract or other written agreement specifically provides another payee of such reinsurance in the event of the insolvency of the ceding insurer; or

2. Where the assuming insurer, with the consent of the direct insured, has assumed such policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under such policies and in substitution for the obligations of the ceding insurer to such payees.

(b) The reinsurance agreement may provide that the domiciliary liquidator of an insolvent ceding insurer shall give written notice to the assuming insurer of the pendency of a claim against such ceding insurer on the contract reinsured within a reasonable time after such claim is filed in the liquidation proceeding. During the pendency of such claim, any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defenses which it deems available to the ceding insurer or its liquidator. Such expense may be filed as a claim against the insolvent ceding insurer to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer. Where two (2) or more assuming insurers are involved in the same claim and a majority in interest elect to interpose a defense to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the ceding insurer.

(6) Upon request of the commissioner an insurer shall promptly inform the commissioner in writing of the cancellation or any other material change of any of its reinsurance treaties or arrangements.

(7) Subsections (1) to (3) of this section shall apply to all cessions after July 14, 1992, under reinsurance agreements which have had an inception, anniversary, or renewal date not less than six (6) months after July 14, 1992.

Section 2. KRS 304.33-330 is amended to read as follows:

(1) Set-offs allowed in general. Mutual debt or mutual credits between the insurer and another person in connection with any action or proceeding under this subtitle shall be set off and the balance only shall be allowed or paid, except as provided in subsection (2) of this section.

(2) Exceptions. No set-off or counterclaim shall be allowed in favor of any person where:

(a) The obligation of the insurer to the person would not at the date of the filing of a petition for liquidation entitle him to share as a claimant in the assets of the insurer;

(b) The obligation of the insurer to the person was purchased by or transferred to the person with a view to its being used as a set-off;

(c) The obligation of the person is to pay an assessment levied against the members or subscribers of the insurer, or is to pay a balance upon a subscription to the capital stock of the insurer, or is in any other way in the nature of a capital contribution; or

(d) The obligation of the person is to pay earned premiums to the insurer. However, ***the provisions of this paragraph shall only apply to reinsurance contracts entered into prior to the effective date of this Act***[~~nothing in this subsection shall restrict the right of a person to set off premium due to or from the insurer pursuant to a reinsurance contract in any delinquency proceeding commenced against an insurer after July 15, 1996~~].

Section 3. KRS 304.33-350 is amended to read as follows:

The amount recoverable by the liquidator from a reinsurer shall not be reduced as a result of delinquency proceedings ***unless the reinsurance contract provides, in substance, that in the event of the insolvency of the ceding insurer the reinsurance shall be payable under a contract reinsured by the assuming insurer on the basis of reported claims allowed by the liquidation court, without diminution because of the insolvency of the ceding insurer. Such payments shall be made directly to the ceding insurer or to its domiciliary liquidator, except:***

(1) Where the contract or other written agreement specifically provides another payee of such reinsurance in the event of the insolvency of the ceding insurer; or

(2) Where the assuming insurer, with the consent of the direct insured, has assumed such policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under such policies and in substitution for the obligations of the ceding insurer to such payees[~~, regardless of any provision in the reinsurance contract or other agreement. Payment made directly to an insured or other creditor shall not diminish the reinsurer's obligation to the insurer's estate except when the reinsurance contract provided for direct coverage of an individual named insured and the payment was made in discharge of that obligation~~].

Section 4. KRS 304.33-380 is amended to read as follows:

(1) Claims contingent on judgments. The claim of a third party which is contingent only on his first obtaining a judgment against the insured shall be considered and allowed as if there were no such contingency.

(2) Claims under terminated policies. Any claim that would have become absolute if there had been no termination of coverage under KRS 304.33-120, and which was not covered by insurance acquired to replace the terminated coverage, shall be allowed as if the coverage had remained in effect, unless at least ten (10) days before the insured event occurred either the claimant had actual notice of the termination or notice was mailed to him as prescribed by subsection (1) of KRS 304.33-250, or subsection (1) of KRS 304.33-260. If allowed, the claim shall share in distributions under subsection (9) of KRS 304.33-430.

(3) Other contingent claims. A claim may be allowed even if contingent, if it is filed in accordance with subsection (2) of KRS 304.33-360. It may be allowed and may participate in all dividends declared after it is filed, to the extent that it does not prejudice the orderly administration of the liquidation.

(4) Immature claims. Claims that are due except for the passage of time shall be treated as absolute claims are treated, except that where justice requires the court may order them discounted at the legal rate of interest.

(5) (a) Nothing in this section or any other section in this subtitle shall be construed as authorizing the receiver, or any other entity, to compel payment from a reinsurer on the basis of estimated incurred but not reported losses or outstanding reserves.

(b) Notwithstanding the provisions of this section or any other section of this subtitle to the contrary, the liquidator may negotiate a voluntary commutation and release of all obligations arising from reinsurance contracts or other agreements.

SECTION 5. A NEW SECTION OF SUBTITLE 5 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) An authorized insurer may reinsure its risks, or any part of its risks, in any insurer authorized to do business in this state, in any other state of the United States, or in the District of Columbia, or in any alien insurer.

(2) An authorized insurer may reinsure an insurer eligible for export pursuant to Subtitle 10 of KRS Chapter 304, in whole or in part, as to property and casualty insurance policies which principally contemplate performance in Kentucky or as to such policies the principal subjects of risk of which are located in Kentucky.

(3) The provisions of this section shall apply to reinsurance agreements which have had an inception, anniversary, or renewal date on or after January 1, 2005.

Section 7. Whereas it is necessary to provide a pending license for electricians in the Commonwealth in order that they may continue to work while they are waiting for a decision regarding their application for a permanent license, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

(6) Nothing in KRS 227A.010 to 227A.140 shall preclude the use of unlicensed, nonresident electricians in temporary, emergency, or industrial shutdown situations. Those unlicensed, nonresident electricians shall apply for an electrician's license or a master electrician's license after they are employed and engaged in electrical work in the Commonwealth of Kentucky for a period of thirty (30) days. (7) Nothing in KRS 227A.010 to 227A.140 shall apply to a person performing work at a surface or underground coal mine or at a coal preparation plant.

(8) Nothing in KRS 227A.010 to 227A.140 shall apply to a person performing work for a telecommunications company for which the voltage is fifty (50) volts or less.

This exemption covers only those factory engineers or third-party service companies with equivalent training who are qualified to perform such service.

(10) Nothing in KRS 227A.010 to 227A.140 shall apply to low-voltage, power-limited installations for control or coordination of interconnected devices separated from a power source by a Class 2 or Class 3 transformer installed by a person licensed as:

SECTION 6. A NEW SECTION OF KRS CHAPTER 227A IS CREATED TO READ AS FOLLOWS:

Nothing in KRS 227A.010 to 227A.140 shall apply to low-voltage, power-limited installations for control or coordination of interconnected devices separated from a power source by a Class 2 or Class 3 transformer installed by a low-voltage installer certificate holder. The office shall set the standards for experience and testing for issuance of a low-voltage installer certificate by administrative regulation and may charge a fee to be set by the office by administrative regulation but not to exceed the actual cost of issuance of the certificate.

Section 7. KRS 198B.060 is amended to read as follows:

(1) Each local government shall employ a building official or inspector and other code enforcement personnel as necessary, or shall contract for inspection and code enforcement services in accordance with subsections (8) and (11) of this section to enforce the Uniform State Building Code within the boundaries of its jurisdiction, except that permits, inspections, and certificates of occupancy shall not be mandatory for single-family residences unless a local government passes an ordinance requiring inspections of single-family residences.

(2) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for churches having a capacity of four hundred (400) or less persons, and six thousand (6,000) or less square feet of total floor area, and buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than twenty thousand (20,000) square feet of floor area, and are not intended for educational, institutional, or high hazard occupancy; or assembly, business, or industrial occupancy in excess of one hundred (100) persons, except churches as stated in this subsection, or for use as a frozen food locker plant as defined in KRS 221.010. Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates, and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of the permit or certificate to the commissioner for his use in maintaining an accurate housing inventory for Kentucky.

(3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more people, shall be exempt from the requirements of the Uniform State Building Code. The determination may be reviewed and altered by the board.

(4) With the exception of single-family dwellings, the department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates, and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. If the commissioner determines that the local jurisdiction is not adequately performing any portion of its program, he may recommend to the board that the department preempt that portion of a local program, except that the commissioner shall not preempt or assert jurisdiction for the enforcement of the code on single-family dwellings. The commissioner shall explain his reasons for preemption in writing and provide a copy to the board and the local jurisdiction. The local jurisdiction may appeal the recommended preemption directly to the board, and the board shall review the appeal according to the procedures found in subsections (8) to (10) of KRS 198B.070. No preemption by the department shall take place until the final decision of the board. If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.

(5) Any local government may petition the commissioner requesting that additional plan review functions be allocated to that local government. The petition shall include evidence of the local government's capability to perform additional plan review functions. The commissioner, after review of the petition and supporting evidence, may grant or deny to the local government any part of a request for additional responsibility. If the commissioner denies any part of a petition, he shall explain his reasons for denial in writing, and provide a copy to the board and the local government. A local government may appeal the denial directly to the board, and the board shall review the appeal according to the procedures found in subsections (8) to (10) of KRS 198B.070. If the local government is granted additional responsibility by the commissioner or the board, the department shall hold concurrent jurisdiction over the additional responsibility, but the local government shall collect any fees for functions it performs pursuant to the additional responsibility.

(6) Any local government may also petition the commissioner requesting that plans and specifications inspection, building inspection, and approval responsibility relating to the application of local plumbing permits for local installations be

allocated to the local government. The petition shall~~[not]~~ be granted unless~~[the local government has demonstrated to]~~ the commissioner ***determines*** that ***the local government cannot***~~[it can]~~ perform these functions in accordance with the provisions of KRS 198B.050 to 198B.090.

(7) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional offices so as to prevent unnecessary duplication in the review of plans and specifications.

(8) No building shall be constructed in this state until a local building official and an official representing the department, if the department has jurisdiction, issue a permit for the construction. Nothing in this subsection shall require a single-family dwelling to be permitted or inspected unless a local government has established a building inspection program as set out in this section.

(9) The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the Uniform State Building Code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of the building. The applicant for a building permit, by the act of applying for the permit, shall be deemed to have consented to inspection by the local government or the department, of the building during construction and upon the completion of construction for the purpose of determining that the building is constructed in compliance with the Uniform State Building Code.

(10) (a) No permit for building, construction, reconstruction, renovation, demolition, or maintenance or for any activity related to building, construction, reconstruction, renovation, demolition, or maintenance shall be issued by any building department or by any political subdivision of the Commonwealth of Kentucky to any person seeking the permit unless the person shall assure, by affidavit, that all contractors and subcontractors employed, or that will be employed, on activity covered by the permit shall be in compliance with Kentucky requirements for workers' compensation insurance according to KRS Chapter 342 and unemployment insurance according to KRS Chapter 341.

(b) Any person who fails to comply with the assurances required under paragraph (a) of this subsection upon such finding by a court of competent jurisdiction, shall be fined an amount not to exceed four thousand dollars ($4,000) or an amount equal to the sum of all uninsured and unsatisfied claims brought under the provisions of KRS Chapter 342 and unemployment insurance claims for which no wages were reported as required by KRS Chapter 341, whichever is greater.

(c) The penalty imposed in paragraph (b) of this subsection shall be enforced by the county attorney for the county in which the violation occurred.

(11) A certified electrical inspector shall be employed by, or contracted for, or contracted with a local government having responsibility over buildings as set out in this section as part of its building inspection program. After a certified electrical inspector has been provided for by the local government or the department, no utility shall initiate permanent electrical service to any new building, or any building which has been moved, until a final certificate of approval has been issued by a certified electrical inspector. Unless the department shall notify the utility in writing as to which buildings are subject to departmental approval, it shall be presumed by the utility that the building is subject to the jurisdiction of the local government. However, nothing in this section shall prohibit the supply or use of necessary electrical services during the construction and testing process.

(12) This section shall apply to industrialized building systems, but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the Board of Housing, Buildings and Construction, shall not be performed in order to conduct the tests or inspections.

(13) No building on which construction was begun nor any industrialized building system on which site preparation and assembly were begun after the Uniform State Building Code became effective shall be occupied until the local building official or a representative of the department issues a certificate of occupancy certifying that the building was constructed in conformance with the standards of the Uniform State Building Code, or assembled or installed in conformance with applicable instructions. Nothing in this subsection shall be construed to require a certificate of occupancy to be issued for any single-family dwelling unless a local government has established jurisdiction for the enforcement of the Uniform State Building Code under this section.

(14) A local government may associate with other local governments, and may seek the technical assistance of other agencies or area development districts in order to provide for the local enforcement of the Uniform State Building Code.

(15) Local governments or associations of local governments may contract with a person, firm, or company to perform the plans and specifications inspection or building inspection functions required of the local government by the provisions of this section if:

(a) The person performing the plans and specifications inspection is certified by the department as having successfully completed the test requirements provided by KRS 198B.090 to practice as a certified plans and specifications inspector;

(b) The person performing the building inspection is certified by the department as having successfully completed the test requirements provided in KRS 198B.090 to practice as a certified building inspector;

(c) The person, firm, or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities;

(d) The person performing the plumbing inspection is certified by the department as having successfully completed the requirements provided in KRS 318.140 to practice as a certified plumbing inspector; and

(e) The person, firm, or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities.

(16) If the department has reason to believe that an inspector is not enforcing, or is improperly enforcing, the provisions of the Kentucky building codes, it shall conduct an informal hearing to review the inspector's procedures and return in written form the required corrections resulting from the hearing to the inspector, or may take action to suspend or revoke the inspector's certificate.

(17) If, after written notification from the department to the inspector of any corrections required, the inspector fails to comply within sixty (60) days, the department shall suspend the inspector's certification until the inspector complies. Any action to suspend or revoke an inspector's certificate may be appealed to the board, and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B.

(18) Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. The fees shall be designed to fully cover the cost of the service performed but shall not exceed the cost of the service performed. Fees payable to the department shall be paid into the State Treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. No part of this fund shall revert to the general fund of the Commonwealth.

Section 8. Whereas it is necessary to provide a pending license for electricians in the Commonwealth in order that they may continue to work while they are waiting for a decision regarding their application for a permanent license, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

(b) Deny the application based solely on the grounds that the applicant fails to qualify under the criteria listed in subsection (2) or (3) of this section. If the Department of State Police denies the application, it shall notify the applicant in writing, stating the grounds for denial and informing the applicant of a right to submit, within thirty (30) days, any additional documentation relating to the grounds of denial. Upon receiving any additional documentation, the Department of State Police shall reconsider its decision and inform the applicant within twenty (20) days of the result of the reconsideration. The applicant shall further be informed of the right to seek de novo review of the denial in the District Court of his place of residence within ninety (90) days from the date of the letter advising the applicant of the denial.

(8) The Department of State Police shall maintain an automated listing of licenseholders and pertinent information, and this information shall be available on-line, upon request, at all times to all Kentucky law enforcement agencies. Except as provided in this subsection, information on applications for licenses, names and addresses, or other identifying information relating to license holders shall be confidential and shall not be made available except to law enforcement agencies. Requests for information to be provided to any requester other than a bona fide law enforcement agency which has direct access to the Law Enforcement Information Network of Kentucky shall be made, in writing, directly to the commissioner of the Department of State Police, together with the fee required for the providing of the information. The Department of State Police shall, upon proper application and the payment of the required fee, provide to the requester in hard copy form only, a list of names of all holders in the Commonwealth of a license to carry a concealed deadly weapon. No identifying information other than the name shall be provided, and information for geographic areas or other subdivisions of any type from the list shall not be provided and shall be confidential. The fee to be charged shall be the same as for other public records provided by the Department of State Police. No request for lists of local or statewide permit holders shall be made to any state or local law enforcement agency, peace officer, or other agency of government other than the Department of State Police, and no state or local law enforcement agency, peace officer, or agency of government, other than the Department of State Police, shall provide any information not entitled to it by law. The names of all persons, other than law enforcement agencies and peace officers, requesting information under this section shall be a public record.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after the loss or destruction of a license, the licensee shall notify the Department of State Police of the loss or destruction. Failure to notify the Department of State Police shall constitute a noncriminal violation with a penalty of twenty-five dollars ($25) payable to the clerk of the District Court. When a licensee makes application to change his or her residence address or other information on the license, neither the sheriff nor the Department of State Police shall require a surrender of the license until a new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff.

(10) If a license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of fifteen dollars ($15) to the Department of State Police, obtain a duplicate, upon furnishing a notarized statement to the Department of State Police that the license has been lost or destroyed.

(11) A license issued under this section shall be suspended or revoked if the licensee becomes ineligible to be issued a license under the criteria set forth in subsection (2)(a), (c), (d), (e), (f), or (h) of this section. When a domestic violence order or emergency protective order is issued pursuant to the provisions of KRS Chapter 403 against a person holding a license issued under this section, the holder of the permit shall surrender the license to the court or to the officer serving the order. The officer to whom the license is surrendered shall forthwith transmit the license to the court issuing the order. The license shall be suspended until the order is terminated, or until the judge who issued the order terminates the suspension prior to the termination of the underlying domestic violence order or emergency protective order, in writing and by return

of the license, upon proper motion by the license holder. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

(12) Not less than ninety (90) days prior to the expiration date of the license, the Department of State Police shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of State Police. The licensee may renew his license on or before the expiration date by filing with the sheriff of his county of residence the renewal form, a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3) of this section, and the required renewal fee. The license shall be renewed to a qualified applicant upon receipt of the completed renewal application and appropriate payment of fees. When a licensee makes application for a renewal of his or her license, neither the sheriff nor the Department of State Police shall require a surrender of the license until the new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his license by paying, in addition to the license fees, a late fee of fifteen dollars ($15). No license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (5), (6), and (7) of this section.

(13) No license issued pursuant to this section shall authorize any person to carry a concealed firearm into:

(a) Any police station or sheriff's office;

(c) Any courthouse, solely occupied by the Court of Justice courtroom, or court proceeding;

(d) Any meeting of the governing body of a county, municipality, or special district; or any meeting of the General Assembly or a committee of the General Assembly, except that nothing in this section shall preclude a member of the body, holding a concealed deadly weapon license, from carrying a concealed deadly weapon at a meeting of the body of which he is a member;

(e) Any portion of an establishment licensed to dispense beer or alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to that purpose;

(g) An area of an airport to which access is controlled by the inspection of persons and property; or

(h) Any place where the carrying of firearms is prohibited by federal law.

(14) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS 199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons, or ammunition, or both in a vehicle on the premises shall not be a criminal offense so long as the weapons, or ammunition, or both are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employee, except that the Justice ***and Public Safety*** Cabinet may prohibit an employee from carrying any weapons, or ammunition, or both other than the weapons, or ammunition, or both issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon, or ammunition, or both in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does

not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(17) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

(b) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(19) The following provisions shall apply to concealed deadly weapon training classes conducted by the Department of Criminal Justice Training or any other agency pursuant to this section:

(a) No concealed deadly weapon instructor trainer shall have his or her certification as a concealed deadly weapon instructor trainer reduced to that of instructor or revoked except after a hearing conducted pursuant to KRS Chapter 13B in which the instructor is found to have committed an act in violation of the applicable statutes or administrative regulations;

(b) No concealed deadly weapon instructor shall have his or her certification as a concealed deadly weapon instructor license suspended or revoked except after a hearing conducted pursuant to KRS Chapter 13B in which the instructor is found to have committed an act in violation of the applicable statutes or administrative regulations;

(c) Each concealed deadly weapon instructor or instructor trainer shall notify the Department of Criminal Justice Training not less than fourteen (14) days prior to the beginning of concealed deadly weapon applicant or concealed deadly weapon instructor training of the time, date, and location at which the class will be conducted. The department, upon the request of a firearms instructor trainer or certified firearms instructor, may permit a class to begin on less than fourteen (14) days' notice. The notice need not contain the names of the students. The notice may be made by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the application. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;

(d) Each concealed deadly weapon instructor or instructor trainer who teaches a concealed deadly weapon applicant or concealed deadly weapon instructor class shall supply the Department of Criminal Justice Training with a class roster indicating which students enrolled but did not successfully complete the class, and which students enrolled and successfully completed the class which contains the name and address of each student, within five (5) working days of the completion of the class. The information may be sent by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the information. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;

(e) An instructor trainer who assists in the conduct of a concealed deadly weapon instructor class or concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her certification. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon instructor or concealed deadly weapon class;

(f) An instructor who assists in the conduct of a concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her license. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon class;

(g) If the Department of Criminal Justice Training believes that a firearms instructor trainer or certified firearms instructor has not in fact complied with the requirements for teaching a certified firearms instructor or applicant class by not teaching the class as specified in KRS 237.126, or who has taught an insufficient class as specified in KRS 237.128, the department shall send to each person who has been listed as successfully completing the concealed deadly weapon applicant class or concealed deadly weapon instructor class a verification form on which the time, date, date of range firing if different from the date on which the class was conducted, location, and instructor of the class is listed by the department and which requires the person to answer "yes" or "no" to specific questions regarding the conduct of the training class. The form shall be completed under oath and shall be returned to the Department of Criminal Justice Training not later than thirty (30) days after its receipt. Failure to complete the form, to sign the form, or to return the form to the Department of Criminal Justice Training within the time frame specified in this section or who, as a result of information on the returned form, is determined by the Department of Criminal Justice Training, following a hearing pursuant to KRS Chapter 13B, to not have received the training required by law shall be grounds for the Department of State Police to revoke the person's concealed deadly weapon license, following a hearing conducted pursuant to KRS Chapter 13B, at which hearing the person is found to have violated the provisions of this section or who has been found not to have received the training required by law;

(h) The department shall randomly inspect certified firearms instructor classes being conducted by firearms instructor trainers and shall randomly inspect applicant classes being conducted by firearms instructor trainers or certified firearms instructors to ascertain if the class is being conducted in conformity to the provisions of applicable statutes and administrative regulations and that the paperwork in the class matches the paperwork ultimately submitted by the firearms instructor trainer or certified firearms instructor for that same class. The department shall annually, not later than December 31 of each year, report to the Legislative Research Commission:

1. The number of random inspections;
2. The results of those inspections;
3. The number of deficiencies noted;
4. The nature of the deficiencies noted;
5. If a deficiency was noted, the categories of action taken by the department to either correct the deficiency or discipline the instructor, or a combination thereof;
6. The number of firearms instructor trainers and certified firearms instructors whose certifications were suspended, revoked, denied, or who were otherwise disciplined;
7. The reasons for the imposition of suspensions, revocations, denials, or other discipline; and
8. Suggestions for improvement of the concealed deadly weapon applicant training program and instructor process;

(i) If a concealed deadly weapon license holder is convicted of, pleads guilty to, or enters an Alford plea to a felony offense, then his or her concealed deadly weapon license shall be forthwith revoked by the Department of State Police as a matter of law;

(j) If a concealed deadly weapon instructor or instructor trainer is convicted of, pleads guilty to, or enters an Alford plea to a felony offense, then his or her concealed deadly weapon instructor certification or concealed deadly weapon instructor trainer certification shall be revoked by the Department of Criminal Justice Training as a matter of law; and

(k) The provisions of this section shall be deemed to be retroactive to March 1, 2002, and the following shall be in effect:

1. Action to eliminate the firearms instructor trainer program as done by emergency administrative regulation is rescinded, the program shall remain in effect, and no firearms instructor trainer shall have his or her certification reduced to that of certified firearms instructor;
2. The Kentucky State Police may revoke the concealed deadly weapon license of any person who received no firearms training as required by KRS 237.126 and administrative regulations or who received insufficient training as required by KRS 237.128 and administrative regulations, if the person voluntarily admits nonreceipt of training or admits receipt of insufficient training, or if either nonreceipt of training or receipt of insufficient training is proven following a hearing conducted pursuant to KRS Chapter 13B. Any action taken by the Kentucky State Police, other than revoking a permit for voluntary admission of nonreceipt of training or receipt of insufficient training to revoke a concealed deadly weapon license of a person suspected of nonreceipt of training or receipt of insufficient training, between March 1, 2002, and July 15, 2002, is suspended until the conduct of a KRS Chapter 13B hearing after July 15, 2002; and
3. Any person who has received a training affidavit requiring the person to verify training conducted during a firearms instructor course or applicant course from the Department of Criminal Justice Training between March 1, 2002, and July 15, 2002, shall have the time to respond to the training affidavit extended to

August 1, 2002. The department shall notify each person who has not, as of July 15, 2002, returned his or her training affidavit of the extension of time to file the affidavit.

Motions, Petitions, and Communications (Continued)

Representative Adkins moved the adoption of the following **HR 251**:

HR 251, A RESOLUTION adjourning the House of Representatives in loving memory and honor of Herbert "Hoover" Dawahare.

With deepest respect and admiration, we pay homage and tribute to our friend and colleague, Hoover Dawahare, and we pause in silent reverence for his soul.

WHEREAS, Hoover Dawahare was born on November 2, 1928, in Letcher County, one of eleven children of Syrian immigrants, Serur Frank and Selma Dawahare, and departed this life March 16, 2004; and

WHEREAS, Hoover Dawahare leaves behind his loving wife, Dorothy; a son, Ernest Wade Dawahare; four brothers, Oscar Dee Dawahare, Serur Frank Dawahare, Jr., Martin Dawahare, and A.F. Dawahare, all of Lexington; two sisters, Mary Dawahare of Hazard, and Sybil Ajalat of Ormond Beach, Florida; and he was preceded in death by a son, Robert Lee Dawahare; three brothers, Willie Dawahare, Woodrow Dawahare and Harding Dawahare; and one sister, Nellie Kawaja; and

WHEREAS, Hoover Dawahare's father, S.F. Dawahare, was a peddler in the Eastern Kentucky Coal Fields before opening his first store in Letcher County in 1924, leading Hoover and his siblings to become involved in the family business; and

WHEREAS, at the time of his death, Hoover Dawahare was President of Hoover Dawahare's, Inc., which operates furniture and home furnishings stores in Lexington, Whitesburg, and Hazard, and was also Vice-President of Dawahares, a chain of 28 clothing stores in Kentucky and two in West Virginia; and

WHEREAS, Hoover Dawahare's great devotion was to the people from his home in Eastern Kentucky, many of whom considered him a folk hero as he fought unabashedly for the interests of his family, friends, and neighbors; and

WHEREAS, Hoover Dawahare served as State Representative in the General Assembly from 1974-1986, representing his beloved constituents from Eastern Kentucky; and

WHEREAS, Hoover Dawahare is perhaps best known for his unorthodox fight for returning coal severance tax money to coal-producing counties, including an incident during which he stood on top of his chamber desk, banging it with his shoe in an attempt to be recognized to speak on the issue, resulting in his being removed from the House chamber at the direction of the Speaker of the House; and

WHEREAS, the publicity from that incident helped lead to the creation of the Coal Producing County Development Fund, and solidified his position as one of the early co-founders of the Mountain Caucus; and

WHEREAS, undaunted in his fight for the "folks back home" in his beloved Eastern Kentucky Mountains, Hoover Dawahare will long be remembered as one of the most colorful personalities ever to serve in the House of Representatives of the General Assembly; and

WHEREAS, when we remember Hoover Dawahare, we do so with sorrow at his passing, but with laughter and joy for the memory of a life well lived;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The House of Representatives does hereby express its profound sense of sorrow upon the passing of our friend and colleague, Herbert "Hoover" Dawahare, and extends to his family and friends its most heartfelt sympathy.

Section 2. When the House of Representatives adjourns this day, it does so in loving memory and honor of Herbert "Hoover" Dawahare.

Section 3. The Clerk of the House of Representatives is hereby directed to transmit a copy of this Resolution to Mrs. Dorothy Dawahare, 3210 Maria Drive, Lexington, Kentucky 40516.

Representative Dw. Butler moved the adoption of the following **HR 242**:

HR 242, A RESOLUTION urging the United States Congress to enact legislation establishing English as the official language of the United States of America.

WHEREAS, the United States of America is composed of individuals from diverse ethnic, cultural, and linguistic backgrounds, and continues to benefit from its rich diversity; and

WHEREAS, throughout the history of the United States, the common thread binding individuals of different backgrounds has been the English language; and

WHEREAS, declaring English as the official language is essential for uniting Americans who now speak more than 329 languages by providing a common means of communication; and

WHEREAS, U. S. immigrants would be encouraged to learn English in order to use government services and to participate in the democratic process; and

WHEREAS, learning English would be beneficial to immigrants who become United States Citizens because studies of Census data show that an immigrant's income rises about 30 percent as a result of learning English, leading to the realization of the American dream of increased economic opportunity and the ability to be a productive member of society; and

WHEREAS, in New York City schools, 54 percent of students who entered English as a Second Language programs in kindergarten scored above the 50th percentile in reading when they reached the 7th grade, compared with under 40 percent for students who entered bilingual programs at the same time; and in mathematics, the gap was even greater, 70 percent versus 51 percent; and

WHEREAS, the 2000 U. S. Census revealed that 21.3 million Americans, eight percent of the population, are classified as "limited English proficient," a 52 percent increase from 1990, and more than double the 1980 total; and

WHEREAS, the United States Government's efforts to make it easy for immigrants to function in their native languages has not only proven to be expensive for American taxpayers, it has served to keep immigrants linguistically isolated, excluding them from the American "melting pot" which truly unites us as a people; and

WHEREAS, in 1983 the late Senator S. I. Hayakawa, an immigrant himself, founded U. S. English, Incorporated, a group dedicated to preserving the unifying role of the English language in the United States, declaring that "English is the key to full participation in the opportunities of American life"; and

WHEREAS, President Theodore Roosevelt stated that "We have room for but one language here, and that is the English language, for we intend to see that the crucible turns our people out as Americans"; and

WHEREAS, official English legislation does not mean "English only" because it does not prohibit government agencies from using other languages when there is a compelling public interest for doing so, such as protecting public health and safety, assuring equality before the law, promoting tourism, teaching foreign languages, providing for national defense, and many other legitimate, common sense needs;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Kentucky House of Representatives urges the Congress of the United States of America to enact legislation establishing English as the official language of the United States of America.

Section 2. That the Clerk of the House of Representatives is directed to mail a copy of this Resolution to the Clerk of the United States Senate, the Clerk of the United States House of Representatives, and to each member of Kentucky's Congressional delegation.

There being no objection, **HR 242** was adopted.

The policy may include a requirement that each school council make an annual report at a public meeting of the board describing the school's progress in meeting the educational goals set forth in KRS 158.6451 and district goals established by the board. The policy shall also address and comply with the following:

(a) Except as provided in paragraph (b)2. of this subsection, each participating school shall form a school council composed of two (2) parents, three (3) teachers, and the principal or administrator. The membership of the council may be increased, but it may only be increased proportionately. A parent representative on the council shall not be an employee or a relative of an employee of the school in which that parent serves, nor shall the parent representative be an employee or a relative of an employee in the district administrative offices. A parent representative shall not be a local board member or a board member's spouse. A teacher elected to a school council shall not be involuntarily transferred during his or her term of office. The parent representatives shall be elected for one (1) year terms. A school council, once elected, may adopt a policy setting different terms of office for parent and teacher members subsequently elected. The principal or head teacher shall be the chair of the school council.

2. School councils in schools having eight percent (8%) or more minority students enrolled, as determined by the enrollment on the preceding October 1, shall have at least one (1) minority member. The council may make personnel decisions on vacancies occurring after the school council is formed but shall not have the authority to recommend transfers or dismissals;

(g) The school council shall determine which textbooks, instructional materials, and student support services shall be provided in the school. Subject to available resources, the local board shall allocate an appropriation to each school that is adequate to meet the school's needs related to instructional materials and school-based student support services, as determined by the school council. The school council shall consult with the school media librarian on the maintenance of the school library media center, including the purchase of instructional materials, information technology, and equipment;

Requests for transfer shall conform to any employer-employee bargained contract which is in effect. If the vacancy to be filled is the position of principal, the school council shall select the new principal from among those persons recommended by the local superintendent. When a vacancy in the school principalship occurs, the school council shall receive training in recruitment and interviewing techniques prior to carrying out the process of selecting a principal. The council shall select the trainer to deliver the training. Procedures shall address situations in which members of the council are not available for consultation; and

(j) Each school council shall annually review data on its students' performance as shown by the Commonwealth Accountability Testing System. The data shall include but not be limited to information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, and participation in the federal free and reduced price lunch program. After completing the review of data, each school council, with the involvement of parents, faculty, and staff, shall develop and adopt a plan to ensure that each student makes progress toward meeting the goals set forth in KRS 158.645 and 158.6451(1)(b) by April of each year and submit the plan to the superintendent and local board of education for review as described in KRS 160.340. The Kentucky Department of Education shall provide each school council the data needed to complete the review required by this paragraph no later than November 1 of each year. If a school does not have a council, the review shall be completed by the principal with the involvement of parents, faculty, and staff.

(3) The policy adopted by the local board to implement school-based decision making shall also address the following:

(a) School budget and administration, including: discretionary funds; activity and other school funds; funds for maintenance, supplies, and equipment; and procedures for authorizing reimbursement for training and other expenses;

(f) Cooperation and collaboration within the district, with other districts, and with other public and private agencies;

(g) Requirements for waiver of district policies;

(h) Requirements for record keeping by the school council; and

(i) A process for appealing a decision made by a school council.

(4) In addition to the authority granted to the school council in this section, the local board may grant to the school council any other authority permitted by law. The board shall make available liability insurance coverage for the protection of all members of the school council from liability arising in the course of pursuing their duties as members of the council.

(5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school meeting its goal as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.

(6) The Department of Education shall provide professional development activities to assist schools in implementing school-based decision making. School council members elected for the first time shall complete a minimum of six (6) clock hours of training in the process of school-based decision making, no later than thirty (30) days after the beginning of the service year for which they are elected to serve. School council members who have served on a school council at least one (1) year shall complete a minimum of three (3) clock hours of training in the process of school-based decision making no later than one hundred twenty (120) days after the beginning of the service year for which they are elected to serve. Experienced members may participate in the training for new members to fulfill their training requirement. School council training required under this subsection shall be conducted by trainers endorsed by the Department of Education. By November 1 of each year, the principal through the local superintendent shall forward to the Department of Education the names and addresses of each council member and verify that the required training has been completed. School council members elected to fill a vacancy shall complete the applicable training within thirty (30) days of their election.

(7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making, including but not limited to a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the commissioner of education and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(8) The Kentucky Board of Education, upon recommendation of the commissioner of education, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council. Included in the school council formula shall be an allocation for professional development that is at least sixty-five percent (65%) of the district's per pupil state allocation for professional development for each student in average daily attendance in the school. The school council shall plan professional development in compliance with requirements specified in KRS 156.095, except as provided in KRS 158.649. School councils of small schools shall be encouraged to work with other school councils to maximize professional development opportunities.

(9) (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.

(b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.

(d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.".

Floor Amendment No. 1 to **HB 292**, by Representative Thomas:

HB 292, On page 2, between lines 3 and 4, insert the following:

"Section 2. KRS 136.290 is amended to read as follows:

(1) Every federally or state chartered savings and loan association, savings bank, and other similar institutions operating solely in Kentucky shall, during January of each year, file with the Revenue Cabinet a report containing such information and in such form as the cabinet may require.

(2) The cabinet shall fix the total value, as of January 1 of each year, of the capital of each financial institution included in subsection (1) of this section. Capital shall include certificates of deposit, savings accounts, demand deposits, undivided profits, surplus, and general reserves, excepting the share of borrowing members where the amount borrowed equals or exceeds the amount paid in by those members. ***For Agricultural Credit Associations chartered by the Farm Credit Administration, capital shall be computed by deducting the book value of the association's investment in any other institution chartered by the Farm Credit Administration that is either subject to the tax imposed by KRS 136.300 or 136.310 or that is exempt from state taxation by federal law.*** The cabinet shall immediately notify each institution of the value so fixed.

Section 3. KRS 136.310 is amended to read as follows:

(1) Every federally or state chartered savings and loan association, savings bank, and other similar institution authorized to transact business in this state, with property and payroll within and without this state, shall, during January of each year, file with the Revenue Cabinet a report containing information and in such form as the cabinet may require.

(2) The Revenue Cabinet shall fix the fair cash value, as of January 1 of each year, of the capital attributable to Kentucky in each financial institution included in subsection (1) of this section. The methodology employed by the cabinet shall be a three (3) step process as follows:

(a) The total value of deposits maintained in Kentucky less any amounts where the amount borrowed equals or exceeds the amount paid in by those members.

(b) The Kentucky apportioned value of capital shall include undivided profits, surplus, general reserves, and paid-up stock. The Kentucky value of capital shall be determined by a fraction, the numerator of which is the receipts factor plus the outstanding loan balance factor plus the payroll factor, and the denominator of which is three (3).

(c) The values determined in steps (a) and (b) of this subsection shall be added together to determine total Kentucky capital and then reduced by the influence of ownership in tax-exempt United States obligations to determine Kentucky taxable capital. The influence of tax-exempt United States obligations is to be determined from the reports of condition filed with the applicable supervisory agency as follows: the average amount of tax-exempt United States obligations for the calendar year, over the average amount of total assets for the calendar year multiplied by total Kentucky capital. The cabinet shall immediately notify each institution of the value so fixed.

(3) The receipts factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is all receipts derived from loans and other sources negotiated through offices or derived from customers in Kentucky, and the denominator of which is total business receipts for the preceding calendar year.

(4) The outstanding loan balance factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is the average balance of outstanding loans negotiated from offices or made to customers in Kentucky. The denominator is the average balance of all outstanding loans. The average outstanding loan balance is determined by adding the outstanding loan balance at the beginning of the preceding calendar year to the outstanding loan balance at the end of the preceding calendar year and dividing by two (2). However, if the yearly beginning balance and ending balance results in an inequitable factor, the average outstanding loan balance may be computed on a monthly average balance.

(5) The payroll factor specified in subsection (2)(b) of this section shall be determined for the preceding calendar year under the provisions of KRS 141.120(8)(b) and regulations promulgated thereunder.

(6) *For Agricultural Credit Associations chartered by the Farm Credit Administration, capital shall be computed by deducting the book value of the association's investment in any other institution chartered by the Farm Credit Administration that is either subject to the tax imposed by KRS 136.300 or 136.310 or that is exempt from state taxation by federal law.*

(7) By July 1 succeeding the filing of the report as provided in subsection (1) of this section, each financial institution included in subsection (1) of this section shall pay directly into the State Treasury a tax of one dollar ($1) for each one thousand dollars ($1,000) paid in on its Kentucky taxable capital as fixed in subsection (2)(c) of this section. The institution shall not be required to pay local taxes upon its capital stock, surplus, undivided profits, notes, mortgages, or other credits, and the tax provided by this section shall be in lieu of all taxes for state purposes on intangible property of the institution, nor shall any depositor of the institution be required to list his deposits for taxation under KRS 132.020. Failure to make reports and pay taxes as provided in this section shall subject the institution to the same penalties imposed for such failure on the part of the other corporations.

(8)[~~(7)~~] If a financial institution included in subsection (1) of this section selects, it may deduct taxes imposed in subsection *(7)*[~~(6)~~] of this section from the dividends paid or credited to a nonborrowing shareholder."; and

Renumber subsequent sections accordingly.

Section 1. KRS 213.076 is amended to read as follows:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such, shall obtain the required personal and statistical particulars from the person best qualified to supply them over the

signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

(a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

(c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

(d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space, and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, ***and if the cause of death is unknown or under investigation, the cause of death shall be shown as such on the certificate. A supplemental report providing the medical information omitted from the original certificate shall be filed by the certifier with the State Registrar within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. The supplemental report shall be made a part of the existing death certificate. Such report shall be considered an amendment, and the death certificate shall be marked "Amended"***[~~the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475~~]. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) (a) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(b) In the case of a death in which diabetes was an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, dentist, chiropractor, or coroner who certifies to the cause of death.

(c) In the case of a death in which diabetes was an immediate, underlying, or contributing cause of or condition leading to death, the physician, dentist, chiropractor, or coroner who certifies to the cause of death shall check "yes" for each of the following questions on the death certificate:

If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

(g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.

(10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars ($10,000) or the actual amount of the loss, whichever is less.

The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. If the monthly statewide caseload average for social service workers exceeds twenty-five (25) active cases for ninety (90) consecutive days, the department shall report the fact to the Governor and to the Legislative Research Commission together with a description of the factors contributing thereto and shall make recommendations related thereto. Pursuant to the requirements of the Adoption Assistance and Child Welfare Act of 1980, Pub. Section 161. KRS 199.473 is amended to read as follows:

(1) All persons other than a child-placing agency or institution, the department, or persons excepted by KRS 199.470(4) or (5) who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child. Prior to the approval of an application to place or receive a child, together with the fee required pursuant to subsection (6) of this section, the secretary shall cause the investigation to be made by a Cabinet for ***Health and Family Services***[~~Families and Children~~] social worker unless the applicant specifies in the application that the investigation shall be done by an adoption worker of the home and the background of the person or persons wishing to receive the child. The portion of the investigation pertaining to the home and family background shall be valid for one (1) year following the date of its completion by an adoption worker. The purpose of the investigation shall be to determine the suitability of the applicants to receive a child, taking into account at all times the best interest of the child for whom application to receive

has been made. The adoption worker making the investigation shall make a finding in writing recommending either that the application be granted or that the application be denied. In either case, reasons for the adoption worker's recommendation shall be given in writing. The recommendation of the adoption worker shall then be reviewed by the secretary. Based on the report and recommendation of the adoption worker making the investigation, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching a decision, the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological, and psychiatric standpoint. If the application is refused, the secretary shall in general terms furnish in writing the reasons for his refusal.

(2) Upon a finding by the Circuit Court that the child should be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary. If the application is denied, the temporary custody order shall be set aside and, upon motion of the cabinet or of the child's parent or parents, the Circuit Court may order the child returned to the biological parent or parents or the child's custody may be awarded to the cabinet, another licensed child-placing agency, or other individuals deemed appropriate by the court. This section shall not be deemed to permit the completion of any adoption proceeding without the approval of the secretary and compliance with KRS 615.030, if required.

(3) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with that person or those persons for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed. No placement shall be disapproved on the basis of the religious, ethnic, racial, or interfaith background of the adoptive applicant, if the placement is made with the consent of the parent. The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family. The cabinet may approve or deny the placement, in spite of the fact that the custodial parent or parents are unwilling to be interviewed by the cabinet or other approving entity, or if, after diligent efforts have been made, the adoption worker is unable to locate or interview the custodial parent or parents. The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in a manner that constitutes an abuse of discretion.

(4) If a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for ***health and family services***[~~families and children~~], or if permission to receive a child has been denied, a representative of the cabinet may petition the juvenile session of District Court of the county in which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants who are to receive the child unless permission to do so is granted by the secretary or the action is ordered by a Kentucky court of competent jurisdiction.

(5) When either the custodial parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met before the cabinet gives approval for the child's placement.

(6) The secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] shall be paid a nonrefundable fee of one hundred fifty dollars ($150) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special-needs child as authorized in KRS 199.555.

(7) Nothing in this statute shall be construed to limit the authority of the cabinet or a child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive.

Section 162. KRS 199.490 is amended to read as follows:

(1) The petition shall allege:

- (a) The name, date, place of birth, place of residence, and mailing address of each petitioner, and, if married, the date and place of their marriage;
- (b) The name, date, place of birth, place of residence, and mailing address, if known, of the child sought to be adopted;
- (c) Relationship, if any, of the child to each petitioner;
- (d) Full name by which the child shall be known after adoption;
- (e) A full description of the property, if any, of the child so far as it is known to the petitioner;
- (f) The names of the parents of the child and the address of each living parent, if known. The name of the biological father of a child born out of wedlock shall not be given unless paternity is established in a legal action, or unless an affidavit is filed stating that the affiant is the father of the child. If certified copies of orders terminating parental rights are filed as provided in subsection (2) of this section, the name of any parent whose rights have been

terminated shall not be given;

(g) The name and address of the child's guardian, if any, or of the cabinet, institution, or agency having legal custody of the child;

(h) Any further facts necessary for the location of the person or persons whose consent to the adoption is required, or whom KRS 199.480 requires to be made a party to or notified of the proceeding; and

(i) If any fact required by this subsection to be alleged is unknown to the petitioners, the lack of knowledge shall be alleged.

(2) There shall be filed with the petition certified copies of any orders terminating parental rights. Any consent to adoption shall be filed prior to the entry of the adoption judgment.

(3) If the petitioner was not excepted by KRS 199.470(4) or (5), a copy of the written approval of the secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or the secretary's designee shall be filed with the petition.

Section 163. KRS 199.555 is amended to read as follows:

(1) A "special-needs child" means:

(a) A child which the state has determined cannot or should not be returned to the home of the child's parents; and

(b) A child which the state has first determined:

1. That there exists a specific factor or condition the existence of which leads to the reasonable conclusion that the child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX; and

2. That except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of these parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX.

(2) "State-funded adoption assistance" means payment of monthly maintenance to assist in meeting the special needs of a child which was placed by the Cabinet for ***Health and Family Services***[~~Families and Children~~]. The state-funded adoption assistance shall also include payment of nonrecurring adoption expenses, and may include reimbursement of extraordinary medical expenses.

(3) "Nonrecurring adoption expenses" means those expenses which are incurred in the legal adoption of a special-needs child for which parents are ultimately responsible which include reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the special-needs adoption and which are not incurred in violation of state or federal law.

(4) "Extraordinary medical expenses" means those expenses which are related to the child's special needs which existed prior to the adoption and are not reimbursed by private insurance, Medicaid, or other third-party payors or government programs.

(5) If the secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or his designated representative finds that a child may benefit from being adopted and that the payment of a subsidy to adoptive parents after the adoption will increase the likelihood of adoption, funds may be paid to the adoptive parents after completion of the adoption of the child if the following conditions exist:

(a) The child was considered a special-needs child prior to the adoption;

(b) The child is committed to the Cabinet for ***Health and Family Services***[~~Families and Children~~] and the cabinet has authority to consent to the child's adoption; and

(c) The adoptive parents can give suitable care to the child if a subsidy is paid.

(6) Agreements for the payments of funds under this section shall be made prior to the adoption of the child. However, if the secretary for ***health and family services***[~~families and children~~] or his designated representative finds that the adoption is likely to disrupt, extraordinary medical expenses may be reimbursed contingent upon availability of resources, if the following conditions exist:

(a) The child was placed for adoption by the Cabinet for ***Health and Family Services***[~~Families and Children~~];

(b) The child was considered a special-needs child prior to the adoption;

(c) The parents have made a reasonable effort under the circumstances to meet the needs of the child without reimbursement for extraordinary medical expenses.

This subsection shall apply to any child meeting the conditions of this subsection who at the time of application for the post-adoption extraordinary medical expenses is under the age of eighteen (18). This subsection shall have retroactive as well as prospective effect.

(7) The payments shall be out of funds appropriated to the cabinet and those funds collected pursuant to KRS 199.473(6) which shall be deposited in a restricted account for the purpose of subsidizing special-needs adoptions, and shall be in accordance with regulations promulgated by the secretary. The payments shall not exceed the amount which would be paid

for foster care for the child. Monthly maintenance payments shall not exceed the amount which would be paid for foster care for the child and may include reimbursement for extraordinary medical expenses. Payment of nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary for ***health and family services***[~~families and children~~] in accord with 42 U.S.C. sec. 673. However, payments under agreements entered into under subsection (6) of this section shall be limited to reimbursement of authorized extraordinary medical expenses related to problems or conditions that existed prior to the adoption.

(8) State-funded adoption assistance payments shall not be made to parents if:

(a) The child has attained the age of eighteen (18), except that if the child is enrolled in a state or federal educational program, the payments may continue through age twenty-one (21);

(b) The cabinet determines the parents are no longer legally responsible for the support of the child; or

(c) The cabinet determines that the child is no longer receiving any support from the parents.

(9) Parents who have been receiving adoption assistance payments under this section shall keep the cabinet informed of circumstances which would, pursuant to subsection (8) of this section, make them ineligible for assistance, or eligible for assistance in a different amount.

(10) The cabinet shall establish criteria to be followed for the adoption of children under provisions of this section and shall promulgate the criteria by administrative regulations.

Section 164. KRS 199.557 is amended to read as follows:

(1) For the purpose of this section, unless the context requires otherwise, "Federal Title IV-E adoption assistance" means the payment of monthly maintenance to assist in meeting the special needs of the child and of nonrecurring adoption expenses which include reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to legal adoption of a special-needs child and which are not incurred in violation of state or federal law.

(2) If the secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or his designated representative finds that payment of a subsidy to adoptive parents after the adoption will increase the likelihood of the adoption, funds may be paid to the adoptive parents after conclusion of the adoption if the child meets the eligibility criteria established at 42 U.S.C. sec. 673.

(3) Agreements for Federal Title IV-E adoption assistance under this section shall be made prior to the adoption of the child.

(4) Payment shall be out of funds appropriated to the cabinet and Federal Title IV-E funds of the Social Security Act as amended (42 U.S.C. secs. 673 et seq.). All payments shall be in accordance with administrative regulations promulgated by the Cabinet for ***Health and Family Services***[~~Families and Children~~]. Payments shall not exceed the amount which would be paid for foster care for the child. Nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or his designated representative in accordance with 42 U.S.C. secs. 673 et seq.

Section 165. KRS 199.570 is amended to read as follows:

(1) The files and records of the court during adoption proceedings shall not be open to inspection by persons other than parties to the proceedings, their attorneys, and representatives of the cabinet except under order of the court expressly permitting inspection. Upon the entry of the final order in the case, the clerk shall place all papers and records in the case in a suitable envelope which shall be sealed and shall not be open for inspection by any person except on written order of the court, except that upon the written consent of the biological parents and upon written order of the Circuit Court all papers and records including all files and records of the Circuit Court during proceedings for termination of parental rights provided in KRS 625.108 shall be open for inspection to any adult adopted person who applies in person or in writing to the Circuit Court as provided in KRS 199.572. No person having charge of any adoption records shall disclose the names of any parties appearing in such records or furnish any copy of any such records, except upon order of the court which entered the judgment of adoption. Health information received pursuant to KRS 199.525 shall be added to the adoption case file. The clerk of the Circuit Court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.

(2) After entry of the adoption judgment, the clerk of the Circuit Court shall promptly report to the Cabinet for Health ***and Family*** Services of Kentucky full information as called for on forms furnished by the Cabinet for Health ***and Family*** Services, necessary to make a new birth certificate conforming to the standard birth certificate form. Upon receipt of this information, the Cabinet for Health ***and Family*** Services shall cause to be made a new record of the birth and it shall be filed with the original certificate, and the original certificate shall be stamped with the words, "CONFIDENTIAL -- subject to copy and/or inspection only on written order of the court."

(3) The new certificate shall set forth the new name, if any, of the adopted child, the names of the adoptive parents, and such other information deemed necessary in accordance with rules and regulations promulgated by the Cabinet for Health ***and Family*** Services in issuing of birth certificates. If the adopted child is under eighteen (18) years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the biological parent or parents of the child. If requested by the adoptive parents, the new birth certificate when issued shall contain the location of birth, hospital, and name of doctor or midwife. This information should be given only by an order of the court in which the child was adopted. The new birth certificate shall recite the residence of the adoptive parents as

the birthplace of the child and this shall be deemed for all legal purposes to be the birthplace of the child. If no birth certificate is on file for a child born in Kentucky, the Cabinet for Health ***and Family*** Services shall prepare a certificate of birth in accordance with the information furnished the cabinet by the clerk of the Circuit Court which issued the adoption order. The Cabinet for Health ***and Family*** Services shall furnish to the clerks of the Circuit Courts the necessary forms to carry out the provisions of this section. If the child was born in another state, the order of adoption shall be forwarded to the division of vital statistics of the state concerned to be changed in accordance with the laws of such state. If the child was born in a foreign country, the report of adoption shall be returned to the attorney or agency handling the adoption for submission to the appropriate federal agency.

(4) Thereafter when any copy of the certificate of birth of any child is issued it shall be a copy of the new certificate of birth, except when an order of the court granting the judgment of adoption shall request the issuance of the copy of the original certificate of the child's birth.

(5) If any judgment of adoption is reversed, modified, or vacated in any particular, the clerk of the Circuit Court shall notify the Cabinet for Health ***and Family*** Services of the reversal or modification and the effect of same, and the cabinet shall make any necessary changes in its records.

Section 166. KRS 199.572 is amended to read as follows:

(1) At the time the biological parents give up the child for adoption, they shall be asked by the cabinet whether they consent to the inspection of the adoption records, to personal contact by the child, or to both when he becomes an adult. If consent is then given, it can later be revoked. If consent is withheld at that time, the biological parents may give consent at any later time. The initial written statement of consent or refusal of consent to inspection of records and personal contact shall be filed with the Circuit Court not later than the date of finalization of the adoption proceedings. When a written consent is on file, the records shall be available to the adult adopted person, upon his request therefor in writing.

(2) The secretary for health ***and family*** services may promulgate such administrative regulations as are necessary to comply with any requirement imposed or required by federal law.

Section 205. KRS 205.217 is amended to read as follows:

(1) As used in this section, unless the context requires otherwise:

(a) "Case manager" means an employee of the area development district or an agency under contract with the area development district who shall assist any functionally impaired person in identifying and accessing the long-term-care services most appropriate to the individual's social and medical needs.

(b) "Functionally impaired person" means any person who is unable to perform without assistance any of the activities of daily living including, but not limited to dressing, bathing, toileting, transferring, or feeding, or any of the instrumental activities of daily living including but not limited to meal preparation, laundry, housecleaning, budgeting, and shopping.

(2) There shall be established within the Cabinet for Health ***and Family*** Services a Long-Term Care Case Management Demonstration Program to consolidate and coordinate all services provided or funded by the cabinet with respect to long-term care, conducted in at least three (3) area development districts. This demonstration program shall serve as the focal point for the provision of all services provided to functionally impaired persons to assure that services are consistent with the following goals:

(a) That functionally impaired persons be allowed to live independently at home or with others as long as the citizen desires without requiring inappropriate or premature institutionalization;

(b) That services provided or funded by the cabinet promote independent living by functionally impaired persons and prevent or minimize illness or social isolation;

(c) That institutional services be used only as a last resort when in-home or community-based support services are not available or are not adequate to meet the needs of functionally impaired persons;

(d) That a single entry point for all services for functionally impaired persons be available to all persons in need of information about or access to the services; and

The general plan of care shall not replace a daily care plan prescribed by a physician for treatment of a person in a hospital or long-term-care facility or receiving home-health services. (5) The cabinet, through the Long-Term Care Demonstration Program, shall provide access to information, counseling, and

screening as appropriate, for persons potentially in need of long-term-care services without regard to the person's income, in order to assist functionally impaired persons in accessing available services. In administering the Long-Term Care Demonstration Program, the cabinet shall provide services to meet the needs of the minority elderly as identified by the cabinet pursuant to KRS 205.201. The cabinet may charge a fee for providing information, counseling, and screening services based on the client's ability to pay.

(3) A health-care facility that receives reimbursement under this section for consultations provided by a Medicaid-participating provider who practices in that facility and a health professional who obtains a consultation under this section shall establish quality-of-care protocols and patient confidentiality guidelines to ensure that telehealth consultations meet all requirements and patient care standards as required by law.

Section 238. KRS 205.6334 is amended to read as follows:

Section 239. KRS 205.637 is amended to read as follows:

(1) (a) A county-owned or operated hospital shall receive an enhanced Medicaid payment in an amount, calculated from the most recent cost report filed by that hospital with the department as of June 30 of each year, equal to the difference between the amount of total payments made to the hospital by the department or a managed care entity for covered services provided to Medicaid beneficiaries, including services attributable to recipients in Medicaid

managed care programs, during the state fiscal year and the hospital's cost for the services determined by the department under Medicare payment principles. Reimbursement under this section shall be made in a single payment. From July 1 through August 1 of each year, the Department for Medicaid Services shall calculate the payment due to be made to each county-owned or operated hospital and shall make the payment to each hospital no later than August 15 of each state fiscal year. The department shall make an enhanced payment to each county-owned or operated hospital in state fiscal year 1998 using cost reports filed with the department on or before June 30, 1998, for the hospitals' latest fiscal year.

(b) A payment described in this section is not due to a county-owned or operated hospital unless an intergovernmental transfer is made. A county-owned or operated hospital may make an intergovernmental transfer, or an intergovernmental transfer may be made on behalf of the hospital by a county, budget unit of a county governmental agency, or lending institution if it is not prohibited by state or federal law.

(c) An intergovernmental transfer shall be made to the enhanced Medicaid payment fund by August 2 of each state fiscal year in an amount equal to eighty percent (80%) of the amount determined under paragraph (a) of this subsection and shall be matched with federal funds.

(d) An enhanced Medicaid payment shall be made to each county-owned or operated hospital participating in the intergovernmental transfer program in an amount equal to one hundred percent (100%) of the hospital's Medicaid shortfall as determined under paragraph (a) of this subsection.

(e) The department shall determine the Medicaid shortfall for all other hospitals that are not county-owned or operated or are not state-university-owned or operated hospitals, which shall be equal to the difference between total payments made by the department or a managed care entity for covered services provided to Medicaid beneficiaries, including those enrolled in managed care, during the state fiscal year and the hospital's costs for the services as determined by the department under Medicare payment principles. Funds remaining from the enhanced Medicaid program shall be distributed to each hospital which is not county-owned or operated or is not state-university-owned or operated on a pro rata basis. If funds remain in the enhanced Medicaid payment fund after making enhanced Medicaid payments required by this subsection, the remaining funds shall be available for use by the department for funding the regular Medicaid program.

(2) The enhanced Medicaid payment authorized under subsection (1) of this section shall not be implemented as part of the disproportionate share hospital program or if federal financial participation is not available.

(3) The Cabinet for Health ***and Family*** Services shall promulgate administrative regulations to implement the provisions of this section.

Section 240. KRS 205.640 is amended to read as follows:

(1) The commissioner of Medicaid services shall adopt a disproportionate share program consistent with the requirements of Title XIX of the Social Security Act which shall include to the extent possible, but not limited to, the provisions of this section.

(2) The "Medical Assistance Revolving Trust Fund" (MART) shall be established in the State Treasury and all provider tax revenues collected pursuant to KRS 142.301 to 142.359 shall be deposited in the State Treasury and transferred on a quarterly basis to the Department for Medicaid Services for use as specified in this section. All investment earnings of the fund shall be credited to the fund. Provider tax revenues collected in accordance with KRS 142.301 to 142.359 shall be used to fund the provisions of KRS 216.2920 to 216.2929 and to supplement the medical assistance-related general fund appropriations for fiscal year 1994 and subsequent fiscal years. Notwithstanding the provisions of KRS 48.500 and 48.600, the MART fund shall be exempt from any state budget reduction acts.

(3) (a) Beginning in state fiscal year 2000-2001 and continuing annually thereafter, provider tax revenues and state and federal matching funds shall be used to fund the disproportionate share program established by the commissioner of Medicaid services. Disproportionate share funds shall be divided into three (3) pools for distribution as follows:

1. Forty-three and ninety-two hundredths percent (43.92%) of the total disproportionate share funds shall be allocated to acute care hospitals;
2. Thirty-seven percent (37%) of the total disproportionate share funds shall be allocated to university hospitals; and
3. Nineteen and eight hundredths percent (19.08%) of the total disproportionate share funds shall be allocated to private psychiatric hospitals and state mental hospitals, with the allocation to each respective group of hospitals established by the biennial budget.

If, in any year, one (1) or both university hospitals fail to provide state matching funds necessary to secure federal financial participation for the funds allocated to university hospitals under this subsection, the portion of the funding allocation applicable to the hospital or hospitals that fail to provide state matching funds shall be made available to acute care hospitals.

(b) The MART fund shall be used to compensate acute care hospitals, private psychiatric hospitals, and university hospitals qualifying for the disproportionate share program for uncompensated service provided by the hospitals to individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, as determined by the hospital pursuant to administrative regulations promulgated by the Cabinet for Health ***and Family*** Services in accordance with this section.

(c) An individual hospital shall receive distributions for indigent care provided by that hospital that meets the guidelines established in paragraph (a) of this subsection.

(d) Distributions to acute care and private psychiatric hospitals shall be made as follows:

1. The department shall calculate an indigent care factor for each hospital annually. The indigent care factor shall be determined by calculating the percentage of each hospital's annual indigent care costs toward the sum of the total annual indigent care costs for all hospitals within each respective pool. For purposes of this paragraph, "indigent care costs" means the hospital's inpatient and outpatient care as reported to the department multiplied by the hospital's Medicaid rate, or at a rate determined by the department in administrative regulation that, when multiplied by the hospital's reported indigent care, is equivalent to the amount that would be payable by the department under the fee-for-service Medicaid program for the hospital's total reported indigent care.

2. Each hospital's annual distribution shall be calculated by multiplying the hospital's indigent care factor by the total fund allocated to all hospitals within the respective pool under paragraph (a) of this subsection.

a. Hospitals shall report uncompensated care provided to qualified individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, including care rendered to indigent persons age twenty-two (22) to sixty-four (64) in a psychiatric hospital to the Cabinet for Health ***and Family*** Services on a quarterly basis. However, all data for care provided during the state fiscal year shall be submitted no later than August 15 of each year.

b. The department shall use indigent care data for services delivered from October 1, 1998, through September 30, 1999, as reported by hospitals to calculate each hospital's indigent care factor for state fiscal year 2000-2001. For state fiscal year 2001-2002 and each year thereafter, the department shall use data reported by the hospitals for indigent care services rendered for the twelve (12) month period ending June 30 of each year as reported by the hospital to the department by August 15 in calculating each hospital's indigent care factor. The hospital shall, upon request by the Cabinet for Health ***and Family*** Services, submit any supporting documentation to verify the indigent care data submitted for the calculation of an indigent care factor and annual payment.

c. By September 1 of each year, the department shall calculate a preliminary indigent care factor and preliminary annual payment amount for each hospital, and shall notify each hospital of their calculation. The notice shall contain a listing of each hospital's indigent care costs, their indigent care factor, and the estimated annual payment amount. Hospitals shall notify the department by September 15 of any adjustments in the department's preliminary calculations. The department shall make adjustments identified by hospitals and shall make a final determination of each hospital's indigent care factor and annual payment amount by October 1.

(e) For fiscal year 2000-2001 and continuing annually thereafter, the department shall issue to each hospital one (1) lump-sum payment on October 15, or later as soon as federal financial participation becomes available, for the disproportionate share funds available during the corresponding federal fiscal year.

(4) Notwithstanding any other provision to contrary, total annual disproportionate share payments made to state mental hospitals, university hospitals, acute care hospitals, and private psychiatric hospitals in each state fiscal year shall be equal to the maximum amount of disproportionate share payments established under the Federal Balanced Budget Act of 1997 and any amendments thereto. Disproportionate share payments shall be subject to the availability of adequate state matching funds and shall not exceed total uncompensated costs.

(5) Hospitals receiving reimbursement shall not bill patients for services submitted for reimbursement under this section and KRS 205.641. Services provided to individuals who are eligible for medical assistance or the Kentucky Children's Health Insurance Program do not qualify for reimbursement under this section and KRS 205.641. Hospitals shall make a reasonable determination that an individual does not qualify for these programs and shall request the individual to apply, if appropriate, for medical assistance or Kentucky Children's Health Insurance on forms supplied by and in accordance with procedures established by the Department for Medicaid Services. The hospital shall document any refusal to apply and shall inform the patient that the refusal may result in the patient being billed for any services performed. The hospital shall not be eligible for reimbursement if the patient was eligible for medical assistance or Kentucky Children's Health Insurance and did not apply. Hospitals receiving reimbursement under this section and KRS 205.641 shall not bill patients for services provided to patients not eligible for medical assistance with family incomes up to one hundred percent (100%) of the federal poverty level.

(6) The secretary of the Cabinet for Health ***and Family*** Services shall promulgate administrative regulations necessary, pursuant to KRS Chapter 13A, for the administration and implementation of this section.

(7) All hospitals receiving reimbursement under this section and KRS 205.641 shall display prominently a sign which reads as follows: "This hospital will accept patients regardless of race, creed, ethnic background, or ability to pay."

Section 241. KRS 205.645 is amended to read as follows:

Notwithstanding any provision of KRS 205.560, the Cabinet for Health ***and Family*** Services shall recognize the reasonable and appropriate varying overhead costs associated with different areas of specialty for the purposes of establishing the standard reimbursement rate for physician services, dental services, and services provided by other independent providers under the Kentucky Medical Assistance Program.

Section 242. KRS 205.6483 is amended to read as follows:

There is hereby created within the Cabinet for Health ***and Family*** Services the Kentucky Children's Health Insurance Program (KCHIP) for the purposes of:

(1) Providing health care coverage and other coordinated services to children through the age of eighteen (18) years at or below two hundred percent (200%) of the federal poverty level and who are not otherwise eligible for health insurance coverage through either expansions of Medicaid services under Title XIX of the Federal Social Security Act and through the provision of a separate health insurance program under Title XXI of the Federal Social Security Act, or a combination of Medicaid program expansions and use of a separate health insurance program; and

(2) Providing Medicaid coverage for children between the ages of fourteen (14) and eighteen (18) years up to one hundred percent (100%) of the federal poverty level.

Section 243. KRS 205.6485 is amended to read as follows:

(1) The Cabinet for Health ***and Family*** Services shall prepare a state child health plan meeting the requirements of Title XXI of the Federal Social Security Act, for submission to the Secretary of the United States Department of Health and Human Services within such time as will permit the state to receive the maximum amounts of federal matching funds available under Title XXI. The cabinet shall, by administrative regulation promulgated in accordance with KRS Chapter 13A, establish the following:

   (a) The eligibility criteria for children covered by the Kentucky Children's Health Insurance Program. However, no person eligible for services under Title XIX of the Social Security Act 42 U.S.C. 1396 to 1396v, as amended, shall be eligible for services under the Kentucky Children's Health Insurance Program except to the extent that Title XIX coverage is expanded by KRS 205.6481 to 205.6495 and KRS 304.17A-340;

   (b) The schedule of benefits to be covered by the Kentucky Children's Health Insurance Program, which shall include preventive services, vision services including glasses, and dental services including at least sealants, extractions, and fillings, and which shall be at least equivalent to one (1) of the following:

      1. The standard Blue Cross/Blue Shield preferred provider option under the Federal Employees Health Benefit Plan established by U.S.C. sec. 8903(1);

      2. A mid-range health benefit coverage plan that is offered and generally available to state employees; or

      3. Health insurance coverage offered by a health maintenance organization that has the largest insured commercial, non-Medicaid enrollment of covered lives in the state;

   (c) The premium contribution per family of health insurance coverage available under the Kentucky Children's Health Insurance Program with provisions for the payment of premium contributions by families of children eligible for coverage by the program based upon a sliding scale relating to family income. Premium contributions shall be based on a six (6) month period not to exceed:

      1. Ten dollars ($10), to be paid by a family with income between one hundred percent (100%) to one hundred thirty-three percent (133%) of the federal poverty level;

      2. Twenty dollars ($20), to be paid by a family with income between one hundred thirty-four percent (134%) to one hundred forty-nine percent (149%) of the federal poverty level; and

      3. One hundred twenty dollars ($120), to be paid by a family with income between one hundred fifty percent (150%) to two hundred percent (200%) of the federal poverty level, and which may be made on a partial payment plan of twenty dollars ($20) per month or sixty dollars ($60) per quarter;

However, the cabinet shall provide, in any contracting process for the preventive health insurance program, the opportunity for a public health department to bid on preventive health services to eligible children within the public health department's service area. A public health department shall not be disqualified from bidding because the department does not currently offer all the services required by paragraph (b) of this subsection. The criteria shall be set forth in administrative regulations under KRS Chapter 13A and shall maximize competition among the providers and insurers. The Cabinet for Finance and Administration shall provide oversight over contracting policies and procedures to assure that the number of applicants for contracts is maximized.

(2) Within twelve (12) months of federal approval of the state's Title XXI child health plan, the Cabinet for Health ***and Family*** Services shall assure that a KCHIP program is available to all eligible children in all regions of the state. If

(2) The Kentucky Children's Health Insurance trust fund may receive state appropriations, gifts, and grants, including federal funds. Any unallotted or unencumbered balances in the Kentucky Children's Health Insurance Program trust fund shall be invested as provided for in KRS 42.500(9). Income earned from the investments shall be credited to the Kentucky Children's Health Insurance Program trust fund account.

(3) The secretary of the Cabinet for Health ***and Family*** Services shall, by administrative regulation promulgated in accordance with KRS Chapter 13A, provide for the administration of the trust fund.

(4) In administering the Kentucky Children's Health Insurance Program, the administrative costs under the program shall be limited to no more than ten percent (10%) of applicable program costs.

Section 245. KRS 205.6489 is amended to read as follows:

(1) The Kentucky Children's Health Insurance Program shall be administered by the Cabinet for Health ***and Family*** Services in terms of conducting eligibility determination and providing oversight over enrollment and claims payment.

(2) The program shall include a system of outreach and referral for children who may be eligible for the Kentucky Children's Health Insurance Program. The program shall have access to all data collected by the cabinet under KRS 216.2920 to 216.2929 and shall coordinate program data collection efforts with the data collection efforts of the cabinet under KRS 216.2920 to 216.2929.
